A complete list of these stockholders will be available for examination by any stockholder during the ten days prior to the Annual Meeting for a purpose germane to the meeting by sending an email to legal@goodrx.com, stating the purpose of the request and providing proof of ownership of Company stock. This list of stockholders will also be available on the bottom panel of your screen during the Annual Meeting after entering the 16-digit control number included on the Notice of Internet Availability of Proxy Materials or any proxy card that you received, or on the materials provided by your bank, broker or other nominee. The Annual Meeting may be continued or adjourned from time to time without notice other than by announcement at the Annual Meeting.

Holders of record of our outstanding shares of capital stock, composed of Class A common stock and Class B common stock (collectively, "Common Stock"), at the close of business on April 20, 2026 (the "Record Date"), will be entitled to notice of and to vote at the Annual Meeting and any continuation, postponement, or adjournment of the Annual Meeting, and will vote together as a single class on all matters presented at the Annual Meeting. Each share of our Class A common stock entitles its holder to one vote per share on all matters presented to our stockholders generally, and each share of Class B common stock entitles its holder to ten votes per share on all matters presented to our stockholders generally. At the close of business on the Record Date, there were 104,711,186 shares of Class A common stock and 233,964,187 shares of Class B common stock issued and outstanding and entitled to vote at the Annual Meeting, representing approximately 4.3% and 95.7% of the voting power of our Common Stock, respectively.

This proxy statement, including the enclosed form of proxy, and the Company's Annual Report to Stockholders for the fiscal year ended December 31, 2025 (the "2025 Annual Report") will be released on or about April 29, 2026 to our stockholders on the Record Date.

In this proxy statement, "we," "us," "our," the "Company" and "GoodRx" refer to GoodRx Holdings, Inc., and, unless otherwise stated, all of its subsidiaries.

INFORMATION ABOUT THIS PROXY STATEMENT

Why you received this proxy statement . You are viewing or have received these proxy materials because GoodRx's Board is soliciting your proxy to vote your shares at the Annual Meeting. This proxy statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission (the "SEC") and that is designed to assist you in voting your shares.

Notice of Internet Availability of Proxy Materials . As permitted by SEC rules, GoodRx is making this proxy statement and its 2025 Annual Report available to its stockholders electronically via the Internet. On or about April 29, 2026, we will mail to our stockholders a Notice of Internet Availability of Proxy Materials (the "Internet Notice") containing instructions on how to access this proxy statement and our 2025 Annual Report and vote online. If you received an Internet Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you specifically request them. Instead, the Internet Notice instructs you on how to access and review all of the important information contained in this proxy statement and 2025 Annual Report. The Internet Notice also instructs you on how you may submit your proxy over the Internet. If you received an Internet Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials contained in the Internet Notice.

Printed Copies of Our Proxy Materials . If you received printed copies of our proxy materials, then instructions regarding how you can vote are contained on the proxy card included in the materials.

Householding . The SEC's rules permit us and intermediaries (e.g., brokers) to deliver a single copy of the Internet Notice and, if applicable, a single set of proxy materials, in each case, addressed to all applicable stockholders, to one address shared by two or more of our stockholders. This delivery method is referred to as "householding" and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one copy of the Internet Notice and, if applicable, one set of proxy materials to multiple stockholders who share an address, unless we received contrary instructions from the impacted stockholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate set of proxy materials, as requested, to any stockholder at a shared address to which a single set of those documents was delivered. If you prefer to receive separate copies of the proxy materials, contact Broadridge Financial Solutions, Inc. at 1 800-353-0103 or in writing at Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717.

If you are currently a stockholder sharing an address with another stockholder and wish to receive only one set of future proxy materials for your household, please contact Broadridge Financial Solutions, Inc. at the above phone number or address.

Intermediaries with account holders who are our stockholders may also be "householding" our proxy materials. Such stockholders may contact their bank, broker or other nominee to request information about householding.

QUESTIONS AND ANSWERS ABOUT THE 2026 ANNUAL MEETING OF STOCKHOLDERS

WHO IS ENTITLED TO VOTE AT THE ANNUAL MEETING?

The Record Date for the Annual Meeting is April 20, 2026. You are entitled to vote at the Annual Meeting only if you were a stockholder of record at the close of business on that date, or if you hold a valid proxy for the Annual Meeting. You will need to obtain your own Internet access if you choose to attend the Annual Meeting and/or vote over the Internet. Each share of our Class A common stock entitles its holders to one vote per share and each share of our Class B common stock entitles its holders to ten votes per share on all matters presented to our stockholders at the Annual Meeting. Holders of Class A common stock and holders of Class B common stock vote together as a single class on any matter (including the election of directors) that is submitted to a vote of our stockholders, unless otherwise required by law or our amended and restated certificate of incorporation. At the close of business on the Record Date, there were 104,711,186 shares of Class A common stock and 233,964,187 shares of Class B common stock issued and outstanding and entitled to vote at the Annual Meeting, representing approximately 4.3% and 95.7% of the voting power of our Common Stock, respectively.

WHAT IS THE DIFFERENCE BETWEEN BEING A "RECORD HOLDER" AND HOLDING SHARES IN "STREET NAME"?

A record holder holds shares in his or her name. Shares held in "street name" means shares that are held in the name of a bank, broker or nominee on a person's behalf.

AM I ENTITLED TO VOTE IF MY SHARES ARE HELD IN "STREET NAME"?

Yes. If your shares are held by a bank, brokerage firm or other nominee, you are considered the "beneficial owner" of those shares held in street name. If your shares are held in street name, our proxy materials are being provided to you by your bank, brokerage firm or other nominee, along with a voting instruction card if you received printed copies of our proxy materials. As the beneficial owner, you have the right to direct your bank, brokerage firm or other nominee how to vote your shares, and such nominee is required to vote your shares in accordance with your instructions. If you haven't received a 16-digit control number, you should contact your bank, broker or other nominee to obtain your control number or otherwise vote through such nominee.

HOW MANY SHARES MUST BE PRESENT TO HOLD THE ANNUAL MEETING?

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, electronically or by proxy, of the holders of a majority in voting power of Common Stock issued and outstanding and entitled to vote on the Record Date will constitute a quorum.

WHO CAN ATTEND AND VOTE AT THE 2026 ANNUAL MEETING OF STOCKHOLDERS?

You may attend and vote at the Annual Meeting only if you are a GoodRx stockholder who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting. The Annual Meeting will be held entirely online to allow greater participation. You will be able to attend the Annual Meeting and submit your questions by visiting the following website: www.virtualshareholdermeeting.com/GDRX2026. You will also be able to vote your shares electronically at the Annual Meeting.

To participate in the Annual Meeting, you will need the 16-digit control number included in your Internet Notice, on your proxy card or on the instructions that accompanied your proxy materials. The meeting webcast will begin promptly at 12:00 p.m., Pacific Time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 11:45 a.m., Pacific Time, and you should allow ample time for check-in procedures. If you hold your shares through a bank, broker or other nominee, instructions should also be provided on the voting instruction card provided by such nominee. If you lose your 16-digit control number, you may join the Annual Meeting as a "Guest," but you will not be able to vote, ask questions, or access the list of stockholders as of the Record Date.

WHY A VIRTUAL MEETING?

Virtual meetings have allowed us to provide expanded access, improved communication, and cost savings for our stockholders and the Company. Hosting a virtual meeting enables increased stockholder attendance and participation since stockholders can participate from any location around the world.

WHAT IF DURING THE CHECK-IN TIME OR DURING THE ANNUAL MEETING I HAVE TECHNICAL DIFFICULTIES OR TROUBLE ACCESSING THE VIRTUAL MEETING WEBSITE?

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting website. If you encounter any difficulties accessing the virtual meeting website during the check-in or meeting time, please call the technical support number that will be available on the Annual Meeting website.

[Table of Contents](#)

WHAT IF A QUORUM IS NOT PRESENT AT THE ANNUAL MEETING?

If a quorum is not present at the scheduled time of the Annual Meeting, the person presiding over the Annual Meeting may adjourn the Annual Meeting until a quorum is present or represented.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE INTERNET NOTICE OR MORE THAN ONE SET OF PROXY MATERIALS?

It means that your shares are held in more than one account at the transfer agent and/or with banks, brokers or other nominees. Please vote all of your shares. To ensure that all of your shares are voted, for each Internet Notice or set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

HOW DO I VOTE?

We recommend that stockholders vote by proxy even if they plan to participate in the Annual Meeting and vote electronically during the Annual Meeting. If you are a stockholder of record, there are three ways to vote by proxy:

- by Internet—You can vote over the Internet at www.proxyvote.com by following the instructions on the Internet Notice or proxy card;
- by Telephone—You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card; or
- by Mail—You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.

Internet and telephone voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 15, 2026.

Stockholders may vote at the Annual Meeting by visiting www.virtualshareholdermeeting.com/GDRX2026 and entering the 16-digit control number included on your Internet Notice, proxy card or the instructions that accompanied your proxy materials. The Annual Meeting webcast will begin promptly at 12:00 p.m., Pacific Time, on Tuesday, June 16, 2026.

If your shares are held in street name through a bank, broker or other nominee, you will receive instructions on how to vote from such nominee. You must follow their instructions in order for your shares to be voted. Internet and telephone voting also may be offered to stockholders owning shares through certain banks, brokers or other nominees. If your shares are not registered in your own name and you would like to vote your shares at the Annual Meeting, you may visit www.virtualshareholdermeeting.com/GDRX2026 and enter the 16-digit control number included in the voting instruction card provided to you by your bank, brokerage firm or other nominee. If you hold your shares in street name and you do not receive a 16-digit control number, you may need to log in to your bank, brokerage firm or other nominee's website and select the shareholder communications mailbox to access the meeting and vote. Instructions should also be provided on the voting instruction card provided by your bank, brokerage firm or other nominee.

CAN I CHANGE MY VOTE AFTER I SUBMIT MY PROXY?

Yes.

If you are a registered stockholder, you may revoke your proxy and change your vote:

- by submitting a duly executed proxy bearing a later date;
- by granting a subsequent proxy through the Internet or telephone;
- by giving written notice of revocation to the Secretary of GoodRx prior to the Annual Meeting; or
- by voting electronically at the Annual Meeting.

Your most recent proxy card or Internet or telephone proxy is the one that is counted. Your virtual attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Secretary before your proxy is voted or you vote electronically during the Annual Meeting.

If your shares are held in street name, you may change or revoke your voting instructions by following the specific directions provided to you by your bank, broker or other nominee, or you may vote electronically during the Annual Meeting.

WHO WILL COUNT THE VOTES?

A representative of Broadridge Financial Solutions, Inc., our inspector of election, will tabulate and certify the votes.

[Table of Contents](#)

WHAT IF I DO NOT SPECIFY HOW MY SHARES ARE TO BE VOTED?

If you are a stockholder of record and you properly submit a proxy but do not indicate any voting instructions, the proxy holders named on the Company's proxy card will vote in accordance with the recommendations of the Board. The Board's recommendations are indicated on page 2 of this proxy statement, as well as with the description of each proposal in this proxy statement. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with any voting instructions, then such organization that holds your shares may generally vote your shares in their discretion on "routine" matters, but cannot vote your shares on "non-routine" matters. Proposal 2 (ratification of the appointment of KPMG LLP as our independent registered public accounting firm) is considered a "routine" matter. All other proposals to be voted on at the Annual Meeting are considered "non-routine." Accordingly, if you hold your shares in street name and you do not submit voting instructions to your broker, your broker may exercise its discretion to vote on Proposal 2 at the Annual Meeting, but will not be permitted to vote your shares on any of the other proposals at the Annual Meeting. See below under "What are broker non-votes and do they count for determining a quorum?" for additional information.

WILL ANY OTHER BUSINESS BE CONDUCTED AT THE ANNUAL MEETING?

We know of no other business that will be presented at the Annual Meeting. However, if any other matter properly comes before the stockholders for a vote at the Annual Meeting and you have properly submitted a proxy, the proxy holders named on the Company's proxy card will vote your shares in accordance with their best judgment.

HOW MANY VOTES ARE REQUIRED FOR THE APPROVAL OF THE PROPOSALS TO BE VOTED UPON AND HOW WILL ABSTENTIONS AND BROKER NON-VOTES BE TREATED?

Proposal	Votes required	Effect of Votes Withheld / Abstentions and Broker Non-Votes
<u>Proposal 1</u> : Election of Directors	The plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative "FOR" votes will be elected as Class III Directors.	Votes withheld and broker non-votes will have no effect.
<u>Proposal 2</u> : Ratification of Appointment of Independent Registered Public Accounting Firm	The majority of the votes cast.	Abstentions and broker non-votes will have no effect. We do not expect any broker non-votes on this proposal.
<u>Proposal 3</u> : Approval, on an advisory (non-binding) basis, of the compensation of our named executive officers	The majority of the votes cast.	Abstentions and broker non-votes will have no effect.

WHAT IS AN ABSTENTION AND A VOTE WITHHELD AND WILL THEY BE COUNT FOR DETERMINING A QUORUM?

A "vote withheld," in the case of the proposal regarding the election of directors, or an "abstention," in the case of the two other proposals to be voted on at the Annual Meeting, represents a stockholder's affirmative choice to decline to vote on a proposal. Votes withheld and abstentions are counted as present and entitled to vote for purposes of determining a quorum.

WHAT ARE BROKER NON-VOTES AND DO THEY COUNT FOR DETERMINING A QUORUM?

Generally, broker non-votes occur when shares held by a broker in "street name" for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of KPMG LLP as our independent registered public accounting firm, without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters, such as the election of directors and the approval, on an advisory (non-binding) basis, of the compensation of our named executive officers. Broker non-votes count for purposes of determining whether a quorum is present.

WHERE CAN I FIND THE VOTING RESULTS OF THE 2026 ANNUAL MEETING OF STOCKHOLDERS?

We plan to announce preliminary voting results at the Annual Meeting and we will report the final results in a Current Report on Form 8-K, which we intend to file with the SEC shortly after the Annual Meeting.

[Table of Contents](#)

WILL THERE BE A QUESTION AND ANSWER SESSION DURING THE ANNUAL MEETING?

In connection with the Annual Meeting, we will hold a live Q&A session, during which we intend to answer appropriate questions submitted by stockholders during the meeting that are pertinent to the Company and the meeting matters, for up to 15 minutes after the completion of the Annual Meeting. Only stockholders that have accessed the Annual Meeting as a stockholder (rather than a "Guest") by following the procedures outlined above in "*Who can attend and vote at the 2026 Annual Meeting of Stockholders?*" will be permitted to submit questions during the Annual Meeting. Each stockholder is limited to no more than two questions. Questions should be succinct and only cover a single topic. We will not address questions that are, among other things:

- irrelevant to the business of the Company or to the business of the Annual Meeting;
- related to material non-public information of the Company, including the status or results of our business since our last periodic report filed with the SEC;
- related to any pending, threatened or ongoing litigation;
- related to personal grievances;
- derogatory references to individuals or that are otherwise in bad taste;
- substantially repetitious of questions already made by another stockholder;
- in excess of the two-question limit;
- in furtherance of the stockholder's personal or business interests; or
- out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chair of the Annual Meeting or Corporate Secretary in their reasonable judgment.

Additional information regarding the Q&A session will be available in the "Rules of Conduct" available on the Annual Meeting webpage for stockholders that have accessed the Annual Meeting as a stockholder (rather than a "Guest") by following the procedures outlined above in "*Who can attend and vote at the 2026 Annual Meeting of Stockholders?*"

PROPOSALS TO BE VOTED ON

PROPOSAL 1: Election of Directors

At the Annual Meeting, three (3) Class III Directors are to be elected to hold office until the Annual Meeting of Stockholders to be held in 2029 and until such director's successor is elected and qualified or until such director's earlier death, resignation or removal.

Our Board is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successor to each director whose term then expires will be elected to serve from the time of election and qualification until the third annual meeting of stockholders following election or such director's death, resignation or removal, whichever is earliest to occur. The current class structure is as follows: Class I, whose term will expire at the 2027 Annual Meeting of Stockholders; Class II, whose term will expire at the 2028 Annual Meeting of Stockholders; and Class III, whose term will expire at the current Annual Meeting and whose subsequent term will expire at the 2029 Annual Meeting of Stockholders. The current Class I Directors are Douglas Hirsch, Kelly J. Kennedy and Agnes Rey-Giraud; the current Class II Directors are Christopher Adams, Trevor Bezdek, and Scott Wagner; and the current Class III Directors are Wendy Barnes, Ronald E. Bruehlman, and Gregory Mondre.

In connection with the initial public offering ("IPO") of our Class A common stock in September 2020, we entered into a Stockholders Agreement (the "Stockholders Agreement") between the Company and certain stockholders of the Company, including the Silver Lake Stockholders (as defined below), the Francisco Partners Stockholders (as defined below), the Spectrum Stockholders (as defined below), and the Idea Men Stockholders (as defined below). Pursuant to the Stockholders Agreement, Gregory Mondre has been designated by the Silver Lake Stockholders as a Class III director. As a result of the Stockholders Agreement and the aggregate voting power of the parties to the agreement, we expect that the Sponsor Stockholders (as defined below), acting in conjunction, will control the election of our directors. For more information, see "*Corporate Governance—Stockholders Agreement.*"

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote the shares of Common Stock represented by the proxy for the election as Class III Directors the persons whose names and biographies appear below. All of the persons whose names and biographies appear below are currently serving as our directors. PROPOSAL 2: Ratification of Appointment of Independent Registered Public Accounting Firm

Our Audit & Risk Committee has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2026. KPMG LLP was appointed as the Company's independent registered public accounting firm on March 14, 2026, by the Audit & Risk Committee in accordance with its charter. KPMG LLP has replaced the Company's former auditor, PricewaterhouseCoopers LLP ("PwC"), who audited the Company's results for the fiscal year ended December 31, 2025. Although not required by the Company's by laws or otherwise, we are asking the stockholders to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2026 as a matter of sound corporate governance. In the event that the appointment of KPMG LLP is not ratified by the stockholders, the Audit and Risk Committee will consider this fact when it appoints the independent auditors for the fiscal year ending December 31, 2026. Even if the appointment of KPMG LLP is ratified, the Audit and Risk Committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change is in the interests of GoodRx. A representative of KPMG LLP is expected to attend the Annual Meeting, and will have an opportunity to make a statement if he or she desires to do so, and be available to respond to appropriate questions from stockholders.

Change in Independent Registered Public Accounting Firm

As previously disclosed by the Company in a Current Report on Form 8-K filed on March 18, 2026 (the "Form 8-K"), on, and effective as of, March 14, 2026, the Audit & Risk Committee approved the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2026, and notified PwC of its dismissal as the Company's independent registered public accounting firm.

The audit reports of PwC on the consolidated financial statements of the Company as of and for the years ended December 31, 2025 and 2024 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. During the fiscal years ended December 31, 2025 and 2024, and the subsequent interim period through March 14, 2026, there were (i) no disagreements within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto with PwC on any matter of accounting principles or practices, consolidated financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused it to make reference to the subject matter of the disagreements in connection with its reports on the consolidated financial statements of the Company for such years, and (ii) no reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K and the related instructions thereto.

The Company provided PwC with a copy of the disclosures contained in the Form 8-K and requested that PwC furnish a letter addressed to the U.S. Securities and Exchange Commission stating whether it agrees with the statements contain therein and, if not, stating the respects in which it does not agree. A copy of PwC's letter, dated March 18, 2026, was filed as Exhibit 16.1 to the Form 8-K.

During the fiscal years ended December 31, 2025 and 2024, and during the subsequent interim period through March 14, 2026, neither the Company nor anyone on its behalf consulted with KPMG LLP regarding: (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report nor oral advice was provided to the Company that KPMG concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue, (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K, or (iii) any reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

AUDIT AND RISK COMMITTEE PRE-APPROVAL POLICY AND PROCEDURES

The Audit and Risk Committee has adopted a policy (the "Pre-Approval Policy") that sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by the independent auditor may be pre-approved. The Pre-Approval Policy generally provides that we will not engage an independent auditor to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the Audit and Risk Committee ("specific pre-approval") or (ii) entered into pursuant to the pre-approval policies and procedures described in the Pre-Approval Policy ("general pre-approval"). Unless a type of service to be provided by the independent auditor has received general pre-approval by the Audit and Risk Committee, it requires specific pre-approval by the Audit and Risk Committee. Any proposed services exceeding 10% of pre-approved fee levels or budgeted amounts also require specific pre-approval.

For both types of pre-approval, the Audit and Risk Committee considers whether such services are consistent with the SEC's rules on auditor independence. The Audit and Risk Committee will also consider whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company's business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Company's ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative.

In connection with the Pre-Approval Policy, the Audit and Risk Committee will periodically review and pre-approve any services (and related fee levels or budgeted amounts) that may be provided by the independent auditor without first obtaining specific preapproval from the Audit and Risk Committee or the Chair of the Audit and Risk Committee. The Audit and Risk Committee may revise the list of general pre-approved services from time to time, based on subsequent determinations. All services to the Company provided by PwC in 2025 and 2024 were approved in accordance with the Pre-Approval Policy.

PROPOSAL 3: Approval, on an Advisory (Non-Binding) Basis, of the Compensation of our Named Executive Officers

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Rule 14a-21 under the Exchange Act and as required pursuant to Section 14A of the Exchange Act, the Company requests that our stockholders cast a non-binding, advisory vote to approve the compensation of our named executive officers as described in the section titled "Executive Compensation" in this proxy statement, including the "Compensation Discussion and Analysis" section, the compensation tables and the accompanying narrative disclosure contained therein.

As described in detail under the heading "Executive Compensation—Compensation Discussion and Analysis," our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success. Please read the aforementioned section beginning on page 24 of this proxy statement for additional details about our executive compensation programs. We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, provides our stockholders the opportunity to express their views on the compensation of our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and our compensation philosophy, policies and practices for named executive officers described in this proxy statement. Accordingly, we will ask our stockholders to vote "FOR" the following advisory resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory (non-binding) basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2026 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion."

The say-on-pay vote is advisory, and therefore not binding on the Company, the Board or the Compensation Committee. However, the Board and the Compensation Committee value the opinions of our stockholders and intend to consider our stockholders' views regarding our executive compensation programs.

FREQUENCY OF SAY-ON-PAY VOTE

At our 2022 Annual Meeting of Stockholders, held on June 14, 2022, our stockholders recommended an annual say-on-pay vote, and our Board of Directors subsequently adopted that recommendation. Accordingly, our next advisory say-on-pay vote (following the non-binding advisory vote at this Annual Meeting) is expected to occur at our 2027 Annual Meeting of Stockholders.

RECOMMENDATION OF THE BOARD OF DIRECTORS

- The Board of Directors unanimously recommends a vote FOR the approval, on an advisory (non-binding) basis, of the compensation of our named executive officers.**

If our Nominating and Corporate Governance Committee determines in good faith that a Stockholder Designee does not satisfy all applicable qualification and legal requirements regarding service as our director, resigns from his or her seat on our Board or is removed, the applicable designating Sponsor Stockholder shall have the right to designate a different Stockholder Designee to fill such vacancy, subject to the provisions of the Stockholder Agreement and our amended and restated certificate of incorporation. Pursuant to the Stockholders Agreement, Francisco Partners Stockholders retain their respective right to designate one additional member of our Board to fill the existing vacancies.

Pursuant to the Stockholders Agreement, each of the Sponsor Stockholders has agreed to vote, or cause to vote, all outstanding shares of our Common Stock held directly or indirectly by such Sponsor Stockholder and its affiliates so as to cause (i) the election of the Stockholder Designee and (ii) the election of two (2) directors who are not affiliated with any Sponsor Stockholder with one of whom satisfies the standards of independence established for independent directors under the rules of The Nasdaq Stock Market LLC (the "Nasdaq Rules") and the additional independence standards applicable to audit committee members established pursuant to Rule 10A-3 under the Exchange Act (the "Independent Director Designees"). Additionally, we have agreed to take all actions necessary and within our control to give effect to the Sponsor Stockholders' director designation rights, including soliciting proxies to vote for each Stockholder Designee and Independent Director Designee and otherwise using our best efforts to cause each Stockholder Designee and Independent Designee to be included as the only directors in the slate of nominees recommended by us and to be elected as a director.

In addition, pursuant to the Stockholders Agreement, if the Idea Men Stockholders continue to beneficially own at least 5% of the aggregate number of outstanding shares of Common Stock at any time that the number of Silver Lake Designees, or Francisco Partners Designees is decreased pursuant to the terms above, then the number of Idea Men Designees serving as directors will be increased on a one-to-one basis. For so long as any of the Silver Lake Stockholders and/or the Francisco Partners Stockholders are entitled to designate at least one (1) director at the time that the number of Silver Lake Designees or Francisco Partners Designees is decreased pursuant to the terms above, the consent of each such Silver Lake Stockholder and Francisco Partners Stockholder shall be required for any Idea Men Designee to fill the vacancy caused by such decrease.

If the number of individuals that any Sponsor Stockholder has the right to designate for election to our Board is decreased because of a decrease in such Sponsor Stockholder's ownership of Common Stock, then the corresponding number of Stockholder Designees of such Sponsor Stockholder will immediately offer to tender his or her resignation for consideration by our Board and, if such resignation is requested by the Board, such director shall resign within thirty (30) days from the date that the applicable Sponsor Stockholder's director designation right decreased; provided that the resignation of the last remaining Stockholder Designee designated by any Sponsor Stockholder may, at his or her option, remain on the Board through the end of his or her then current term. A Stockholder Designee may resign at any time regardless of the period of time left in his or her then current term.

As a result of the Stockholders Agreement, we expect that the Sponsor Stockholders, acting in conjunction, will control the election of our directors.

DIRECTOR INDEPENDENCE

Our Board has affirmatively determined that Christopher Adams, Ronald E. Bruehlman, Kelly J. Kennedy, Gregory Mondre and Agnes Rey-Giraud are each an "independent director," as defined under the Nasdaq Rules. Our Board has also affirmatively determined that Ronald E. Bruehlman, Kelly J. Kennedy and Agnes Rey-Giraud, who comprise our Audit and Risk Committee; and Christopher Adams and Agnes Rey-Giraud who are members of our Compensation Committee each satisfy the respective additional independence standards for those committees established by applicable Nasdaq Rules and SEC rules. In addition, our Board affirmatively determined that each of Ian T. Clark, Dipanjan Deb, and Simon Patterson qualified as an "independent director" under Nasdaq Rules for the period in 2025 during which he or she served on our Board, and satisfied the relevant additional independence standards regarding the committees on which such individuals served in 2025, as applicable. These determinations were made by the Board with the recommendation of its Nominating and Corporate Governance Committee. In evaluating and determining the independence of the directors, the Board considered, among other things, that the Company may have certain relationships with its directors. Specifically, the Board considered that certain of our directors are affiliated with significant stockholders of the Company.

CONTROLLED COMPANY EXEMPTION

Under the Stockholders Agreement, the Sponsor Stockholders have acknowledged and agreed to act as a "group" within the meaning of the Nasdaq Rules and, as of the date of this proxy statement, the Sponsor Stockholders, in the aggregate, control more than 50% of the voting power for the election of directors. As a result, we are considered a "controlled company" for the purposes of the Nasdaq Rules. As such, we are exempt from certain Nasdaq corporate governance requirements, including the requirement that a majority of our Board consists of "independent directors," as defined under

Table of Contents

the Nasdaq Rules. In addition, we are not required to, among other things, have a nominating and corporate governance committee or compensation committee that is composed entirely of independent directors or otherwise ensure that director nominees are selected, or recommended for the Board's selection, by a majority of the independent directors of the Board. Accordingly, our stockholders may not have the same protections afforded to stockholders of companies that are subject to all of the corporate governance requirements of the Nasdaq Rules.

Currently, five out of nine of the directors on our Board qualify as independent under the Nasdaq Rules. However, our Compensation Committee and our Nominating and Corporate Governance Committee are not entirely independent in reliance on the controlled company exemption and we rely on certain exemptions to the Nasdaq corporate governance requirements for our Nominating and Corporate Governance Committee. For so long as we remain a "controlled company," we may avail ourselves of other exemptions available to "controlled companies" in the future.

If at any time we cease to be a "controlled company" under the Nasdaq Rules, our Board intends to take any action that may be necessary to comply with the Nasdaq Rules, subject to a permitted "phase-in" period.

DIRECTOR CANDIDATES

The Nominating and Corporate Governance Committee is responsible for identifying and reviewing the qualifications of potential director candidates and recommending to the Board those candidates to be nominated for election to the Board, subject to any procedures regarding the nomination of directors to the Board that may be included in the Stockholders Agreement.

To facilitate the search process for director candidates, the Nominating and Corporate Governance Committee may solicit our current directors and executives for the names of potentially qualified candidates or may ask directors and executives to pursue their own business contacts for the names of potentially qualified candidates. The Nominating and Corporate Governance Committee may also consult with outside advisors or retain search firms to assist in the search for qualified candidates, or consider director candidates recommended by our stockholders. Once potential candidates are identified, the Nominating and Corporate Governance Committee reviews the backgrounds of those candidates, evaluates candidates' independence from us and potential conflicts of interest, and determines if candidates meet the qualifications set forth in our Corporate Governance Guidelines and as otherwise desired by the Nominating and Corporate Governance Committee of candidates for election as director.

Under the Stockholders Agreement, the Directors designated for election to the applicable classes of the Board (i) by the Silver Lake Stockholders are Gregory Mondre, Agnes Rey-Giraud and Scott Wagner, (ii) by the Francisco Partners Stockholders is Christopher Adams and (iii) by the Idea Men Stockholders are Trevor Bezdek and Douglas Hirsch. Pursuant to the Stockholders Agreement, the Francisco Partners Stockholders retain their right to designate one additional member of our Board.

In accordance with our Corporate Governance Guidelines, in evaluating the suitability of individual candidates, the Nominating and Corporate Governance Committee and the Board may take into account many factors, including: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; relevant social policy concerns; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other board members; practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee may also consider the director's past attendance at meetings and participation in, and contributions to, the activities of the Board.

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting the names of the recommended individuals, together with appropriate biographical information and background materials, to the Nominating and Corporate Governance Committee, c/o General Counsel, GoodRx Holdings, Inc., 2701 Olympic Boulevard, West Building – Suite 200, Santa Monica, California 90404. Assuming that appropriate biographical and background material has been provided on a timely basis, the Nominating and Corporate Governance Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

COMMUNICATIONS FROM STOCKHOLDERS

Stockholders of the Company may communicate directly with the independent members of the Board, any Chair of a Board committee, and the Co-Chairmen of the Board about corporate governance, corporate strategy, Board-related matters or other substantive matters that our General Counsel and/or Co-Chairmen of the Board consider to be important for the director(s) to know, by addressing any communications to the intended recipient by name or position in care of: GoodRx Holdings, Inc., Attn: General Counsel, 2701 Olympic Boulevard, West Building – Suite 200, Santa Monica, California 90404, subject to compliance with the requirements and parameters noted below. Such communications may be made confidentially or anonymously.

All communications, including stockholder recommendations of director candidates, must be accompanied by the following regarding the person submitting the communication: a statement of the type and amount of the securities of the Company that the person holds, and the address, telephone number and e-mail address, if any, of the person.

The following types of communications are considered inappropriate for delivery to directors:

- Communications regarding individual grievances or other interests that are personal to the party submitting the communication;
- Communications regarding ordinary business operations; and
- Communications that contain offensive, obscene or abusive content.

Communications deemed to comply with the above requirements and to be appropriate for delivery will be delivered to the applicable director(s) on a periodic basis, generally in advance of each regularly scheduled meeting of the Board. Concerns relating to accounting, internal accounting controls, auditing matters or questionable financial practices will be handled in accordance with the procedures established by the Audit and Risk Committee with respect to such matters.

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

Our Board appointed Trevor Bezdek and Scott Wagner to serve as Co-Chairmen of the Board, effective January 21, 2025. We believe it is in the best interest of the Company and our stockholders for Mr. Bezdek and Mr. Wagner to serve as Co-Chairmen of the Board due to their deep knowledge of our business and their significant industry relationships, which position both of them well to lead the Board in its oversight of the Company through its current period of executive leadership transition and focus on strategic initiatives.

Our Board exercises its judgment in establishing, combining or separating the roles of Chairman (or Co-Chairmen) of the Board and Chief Executive Officer as it deems appropriate in light of prevailing circumstances. The Board will continue to exercise its judgment on an ongoing basis to determine the optimal Board leadership structure that the Board believes will provide effective leadership, oversight and direction, while optimizing the functioning of both the Board and management and facilitating effective communication between the two. Additionally, pursuant to its charter, our Nominating and Corporate Governance Committee periodically reviews the Board's leadership structure and annually reviews the Board's committee structure, and will recommend to the Board for its approval any appropriate changes to the Board's leadership structure and the membership of each committee of the Board. The Board has concluded that the current structure provides a well-functioning and effective balance between strong Company leadership and appropriate safeguards and oversight by independent directors, including independent Chairs of each Board committee.

In the future, the Independent Directors may elect a lead director. The lead director's responsibilities would include, but are not limited to: presiding over all meetings of the Board at which the Co-Chairmen are not present, including any executive sessions of the Independent Directors; approving Board meeting schedules and agendas; and acting as the liaison between the Independent Directors and the Chief Executive Officer and Co-Chairmen of the Board. If the Chairman (or Co-Chairmen) of the Board is an Independent Director, the Chairman (or Co-Chairmen) of the Board would serve as lead director. The Board may modify its leadership structure in the future as it deems appropriate.

Risk assessment and oversight are an integral part of our governance and management processes. Our management is responsible for our day-to-day risk management activities and our Board and its committees have an active role in overseeing management of the Company's risks. Our Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. Our Audit and Risk Committee is responsible for reviewing and discussing our general risk assessment and risk management policies and strategy as well as overseeing the management of certain of our major risk exposures and the implementation of risk mitigation strategies by management. In particular, the Audit and Risk Committee is responsible for overseeing our financial and enterprise risks, legal and regulatory compliance risk areas and our cybersecurity and data privacy risks as well as the steps management has taken to monitor, control and report such risk exposures. Our Compensation Committee is responsible for overseeing risks related to our compensation programs and our Nominating and Corporate Governance Committee is responsible for managing risks associated with the independence of the Board and potential conflicts of interest. Our Board is also apprised of particular risk management matters in connection with its general oversight role and approval of corporate matters and significant transactions. The Board does not believe that its role in the oversight of our risks affects the Board's leadership structure.

COMPENSATION RISK ASSESSMENT

Our Compensation Committee has reviewed our compensation policies and practices, in consultation with Pay Governance, LLC, a compensation consulting firm engaged by the Compensation Committee ("Pay Governance"), to assess whether they encourage employees to take inappropriate risks. After reviewing the analysis prepared by Pay Governance, the Compensation Committee determined that any possible risks arising from our executive and/or employee compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

INSIDER TRADING COMPLIANCE POLICY

Our Board has adopted an Insider Trading Compliance Policy governing the purchase, sale and/or other dispositions of our securities by our directors, officers and employees. We believe that our Insider Trading Compliance Policy is reasonably designed to promote compliance with insider trading laws, rules and regulations, and any listing standards applicable to us. It is also our policy to comply with applicable insider trading laws and regulations with respect to transactions in our own securities. A copy of the Insider Trading Compliance Policy is filed as Exhibit 19.1 to our Annual Report on Form 10-K for the year ended December 31, 2025.

ANTI-HEDGING POLICY

Under our Insider Trading Compliance Policy, unless pre-approved by our Board in each instance, our directors, officers and employees and any entities they control from are prohibited from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, and exchange funds, or otherwise engaging in transactions that hedge or offset, or are designed to hedge or offset, any decrease in the market value of the Company's equity securities, or that may cause an officer, director, or employee to no longer have the same objectives as the Company's other stockholders.

STOCK OWNERSHIP GUIDELINES

In order to align our executive officers' and directors' interests with those of our stockholders, we have adopted stock ownership guidelines, which require that, during their respective tenures, our executive officers who are designated as "officers," as defined in Rule 16a-1(f) of the Exchange Act, and our directors maintain certain ownership of Qualifying Shares. For more information, see "*Executive Compensation—Stock Ownership Guidelines.*"

CODE OF ETHICS

We have adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees. A copy of the Code of Business Conduct and Ethics is available on our website at www.goodrx.com in the "Governance" section of the "Investors" page. We intend to disclose on our website any amendments to the Code of Business Conduct and Ethics, or any waivers of its requirements, that are required to be disclosed by SEC and/or Nasdaq rules.

ATTENDANCE BY MEMBERS OF THE BOARD OF DIRECTORS AT MEETINGS

There were five meetings of the Board during the fiscal year ended December 31, 2025. During the fiscal year ended December 31, 2025, each of our incumbent directors attended at least 75% of the aggregate of (i) all meetings of the Board during the period in which he or she served as a director and (ii) all meetings of the committees on which such director served during the period in which he or she served as a member of such committee.

Under our Corporate Governance Guidelines, which are available on our website at www.goodrx.com, a director is expected to spend the time and effort necessary to properly discharge his or her responsibilities. Accordingly, a director is expected to regularly prepare for and attend meetings of the Board and all committees on which the director sits (including separate meetings of the independent directors), with the understanding that, on occasion, a director may be unable to attend a meeting. A director who is unable to attend a meeting of the Board or a committee of the Board is expected to notify our Chief Executive Officer, the Chairman of the Board or the Chair of the appropriate committee, as applicable, in advance of such meeting, and, whenever possible, participate in such meeting via teleconference in the case of an in person meeting. We do not maintain a formal policy regarding director attendance at annual meetings of stockholders; however, it is expected that, absent compelling circumstances, directors will attend. All but three of our directors who were then serving on the Board attended our 2025 Annual Meeting of Stockholders.

COMMITTEES OF THE BOARD

In June 2025, our Nominating and Corporate Governance Committee reviewed the Board's committee structure and composition and recommended to the Board for its approval of certain changes to the Board's committee structure. Based on the recommendation of our Nominating and Corporate Governance Committee, the Board approved to dissolve the Innovation Committee. Currently, our Board has three standing committees—Audit and Risk, Compensation, and Nominating and Corporate Governance—each of which operates under a written charter that has been approved by our Board.

COMPENSATION COMMITTEE

The Compensation Committee is responsible for, among other matters:

- reviewing and approving any goals and objectives relevant to the compensation of the Chief Executive Officer and other executive officers (including individuals serving in an interim capacity), evaluating the Chief Executive Officer's and other executive officers' performance in light of such goals and objectives and making recommendations to the Board regarding the compensation of our Chief Executive Officer and other executive officers;

Pursuant to the Compensation Committee's charter, which is available on the "Governance" section of our website at investors.goodrx.com, the Compensation Committee has the authority to retain or obtain the advice of compensation consultants, legal counsel and other advisors to assist in carrying out its responsibilities. The Compensation Committee generally considers the Chief Executive Officer's input, if any, when making recommendations regarding the compensation of non-employee directors and executive officers (other than the Chief Executive Officer). Since May 2022, the Company has engaged Pay Governance to assist in making decisions regarding the amount and types of compensation to provide our executive officers and non-employee directors. Pay Governance reports directly to the Compensation Committee. The Compensation Committee has considered the adviser independence factors required under SEC rules and Nasdaq Rules as they relate to Pay Governance and has determined that Pay Governance's work does not raise a conflict of interest. Pay Governance did not provide any other services to the Company in 2025 beyond those pursuant to its engagement by the Compensation Committee.

The Compensation Committee may delegate its authority under its charter to a subcommittee as it deems appropriate from time to time. The Compensation Committee has the authority to conduct or authorize investigations into any matters within the scope of its responsibilities as it deems appropriate, including the authority to request any officer, employee or adviser of the Company to meet with the Compensation Committee or any advisers engaged by the Compensation Committee. In addition to the foregoing and other authority expressly delegated to the Compensation Committee in its charter, the Compensation Committee may also exercise any other powers and carry out any other responsibilities consistent with its charter, the purposes of the Compensation Committee, the Company's Amended and Restated Bylaws and applicable rules of Nasdaq.

The Compensation Committee met five times during the fiscal year ended December 31, 2025.

As we are a "controlled company" under the Nasdaq Rules, our Nominating and Corporate Governance Committee is exempt from the requirement that it be composed entirely of independent directors under the Nasdaq Rules. The Nominating and Corporate Governance Committee has the authority to consult with outside advisors or retain search firms to assist in the search for qualified candidates, or consider director candidates recommended by our stockholders.

Performance Highlights

Our executive compensation programs are designed to deliver pay in accordance with corporate and individual performance, to reward superior performance and to provide consequences for underperformance. We believe that the compensation of our named executive officers for fiscal year 2025 was aligned with the Company's performance during 2025. Highlights of that performance include:

- Revenue grew to \$796.9 million in 2025 compared to \$792.3 million in 2024, net income in 2025 was \$30.4 million compared to net income in 2024 of \$16.4 million, and Adjusted EBITDA increased 4% compared to 2024. - Exited the year used by over one million healthcare professionals ("HCP") annually.⁽²⁾
- Deepened relationships with retail pharmacy partners with retail-direct contracts in place with 9 out of 10 of our largest retail pharmacy partners as part of our hybrid contracting model; helped strengthen retail pharmacy relationships and collaboration on solutions focused on mutual success and profitability.⁽³⁾

(1) We define Adjusted EBITDA for a particular period as net income or loss before interest, taxes, depreciation and amortization, and as further adjusted, as applicable, for acquisition related expenses, stock-based compensation expense, payroll tax expense related to stock-based compensation, loss on extinguishment of debt, financing related expenses, loss on operating lease assets, restructuring related expenses, legal settlement expenses, gain on sale of business and other income or expense. Adjusted EBITDA Margin represents Adjusted EBITDA as a percentage of Adjusted Revenue. We define Adjusted Revenue for a particular period as revenue excluding client contract termination costs associated with restructuring related activities. We exclude these costs from revenue because we believe they are not indicative of past or future underlying performance of the business. Revenue was equal to

- (4) As of December 31, 2025. Savings are measured as the difference between the pharmacy list price and the price the consumer pays utilizing a GoodRx code at the same pharmacy. Because consumers of our website and mobile application may switch pharmacies if they find a better discount, our consumer savings calculation includes an estimate of savings achieved based on switching pharmacies. The cumulative total may not reconcile to the sum of cumulative savings per annum due to rounding.

For a comprehensive discussion of the Company's performance during 2025, including our financial results, please review our Annual Report on Form 10-K for the fiscal year ended December 31, 2025, which was filed with the SEC on February 26, 2026 and is available at investors.goodrx.com and included in the 2025 Annual Report.

2025 Compensation Highlights

Consistent with our compensation philosophy, key compensation decisions for 2025 included the following:

- **Base Salaries and Target Annual Cash Incentive Opportunities.** The 2025 base salaries and target bonuses for our named executive officers did not change from 2024, except for Mr. Nabiey. Effective February 16, 2025, Mr. Nabiey's annualized base salary was increased by approximately 6.7% to \$350,000 to align his salary with market data.
- **Annual Cash Incentives.** For 2025, our Compensation Committee selected Adjusted EBITDA Margin and Revenue performance goals for our performance-based annual bonus program; these metrics are intended to promote our business plan and short-term goals. Mr. Nabiey also has a portion of his annual cash incentive tied to individual performance. Because we did not achieve our 2025 performance goals, the Compensation Committee decided not to pay out annual incentive bonuses to our participating named executive officers, with the exception of Mr. Nabiey, who received a payment of \$107,640.
- **Retention Bonuses.** In December 2025, the Company entered into one-time retention bonus letter agreements (the "Retention Bonus Agreements") with each of Ms. Barnes and Mr. McGinnis, pursuant to which retention bonuses were provided to Ms. Barnes and Mr. McGinnis in the amounts of \$2,000,000 and \$1,000,000, respectively. Descriptions of these bonuses are set forth in the section below entitled "*Ms. Barnes, Messrs. McGinnis and Nabiey Retention Bonus.*"
- **Equity-Based Long-Term Incentives.** In March 2025, pursuant to Ms. Barnes' and Mr. McGinnis' employment agreements, each was granted nonqualified stock options ("stock options") and a restricted stock unit ("RSU") award covering shares of Class A common stock. In March 2025, as part of our annual equity grant process, stock options and RSUs were granted to Mr. Nabiey.
- **New Employment Agreements.** In connection with the commencement of their employment with us, we entered into an employment agreement with each of Ms. Barnes and Mr. McGinnis, each of which includes an annual base salary, target bonus opportunity, sign-on bonus, equity awards, and severance benefits. Descriptions of these agreements are set forth in the section below entitled "*Narrative to Summary Compensation Table and Grants of Plan Based Awards Table*" and "*Potential Payments Upon Termination or Change in Control.*"

Stockholder Advisory Votes on Named Executive Officer Compensation

At our 2025 Annual Meeting of Stockholders, our stockholders voted in a non-binding, advisory vote to approve the compensation of our named executive officers. Our Compensation Committee reviewed the result of this vote, and, in light of the approval by a substantial majority of our voting stockholders of the compensation programs described in our 2025 proxy statement (representing over 99.9% of the votes cast), did not implement any significant changes to our executive compensation program as a result of the vote.

Compensation Philosophy and Objectives

The key objective in our executive compensation program is to attract, motivate, and reward leaders with the skills and experience necessary to successfully execute on our strategic plan to maximize stockholder value. Our executive compensation program is designed to:

- Attract and retain talented and experienced executives in a competitive and dynamic market;
- Motivate our executive officers to help our company achieve the best possible financial and operational results;
- Provide reward opportunities consistent with our performance on both a short-term and long-term basis; and
- Align the long-term interests of our executive officers with those of our stockholders.

We strive to set our overall total compensation at a competitive level. Executive compensation is determined with consideration for market benchmarks and factors such as experience, performance, scope of position and the competitive demand for proven executive talent, as described further below under "*Determination of Executive Compensation.*"

Determination of Executive Compensation

Our Compensation Committee administers the executive compensation program for our executive officers. Our Compensation Committee is responsible for, among other things, reviewing and providing recommendations to our Board regarding the compensation of our executive officers, including setting base salary, annual bonus, and equity awards granted to our executive officers, and ensuring such compensation is aligned with our executive compensation philosophy. Our Compensation Committee is also responsible for reviewing and providing recommendations to our Board regarding the compensation of our non-employee directors.

In carrying out its responsibilities, the Compensation Committee evaluates our compensation policies and practices with a focus on the degree to which these policies reflect our executive compensation philosophy, develops strategies and makes decisions that it believes further such philosophy and align with developments in executive compensation practices, and reviews the performance of our executive officers.

Role of Compensation Consultant

The Compensation Committee engages an external compensation consultant to assist the committee by providing information, analysis and other advice relating to our executive and director compensation programs and the decisions resulting from the Compensation Committee's annual executive compensation review. The compensation consultant reports directly to our Compensation Committee and its Chair, and serves at the discretion of the Compensation Committee, which reviews the engagement annually.

For 2025, our Compensation Committee continued to retain Pay Governance to serve as its external compensation consultant to advise on executive and director compensation matters, including competitive market pay practices, and data analysis and selection of our compensation peer group.

During 2025, Pay Governance attended Compensation Committee meetings and advised on executive compensation matters including:

- Developing an updated executive compensation peer group;
- Conducting a competitive market assessment of the compensation opportunities for our executive officers and non-employee directors;
- Reviewing and summarizing equity compensation practices among our peers;
- Assisting with the development of our equity compensation strategy;
- Conducting a competitive market assessment of executive severance and change-in-control provisions;

Table of Contents

- Summarizing peer practices for short-term incentive plan design;
- Conducting a compensation risk assessment;
- Reviewing the Compensation Committee's charter; and
- Reviewing other compensation trends and regulatory developments.

Competitive Position

For the purpose of assessing our executive compensation program against the competitive market, the Compensation Committee reviews and considers the compensation levels and practices of a select group of peer companies. This compensation peer group generally consists of companies that are similar to us in terms of industry, revenue and market capitalization. In selecting the companies to include in our compensation peer group for 2025, the Compensation Committee considered the following targeted selection criteria:

Selection Criteria

- Industry: Healthcare Technology, Software, and/or Broader Healthcare Services or Technology
- Size: Companies with revenues generally ranging from 0.33x to 3.00x of the Company's revenues and market capitalization generally ranging from 0.25x to 4.00x of the Company
- Business model (i.e., consumer marketplace or other "platform" companies and software-as-a-service)
- Key competitor (for business or talent) to GoodRx
- Companies with similar growth profiles/results as GoodRx
- Companies that will help position GoodRx closer to the median on revenue and market capitalization

Peer Group

The companies in our compensation peer group for 2025 consisted of the following companies:

Affirm Holdings, Inc.	Hims & Hers Health, Inc.
Alarm.com Holdings, Inc.	LegalZoom.com, Inc.
Alignment Healthcare, Inc.	Marqeta, Inc.
AppFolio, Inc.	Phreesia, Inc.
Asana, Inc.	Premier, Inc.
Box, Inc.	Privia Health Group, Inc.

Certara, Inc.	Q2 Holdings, Inc.
Doximity, Inc.	Teladoc Health, Inc.
EverCommerce, Inc.	Vertex, Inc.

For purposes of 2025 compensation decisions, we modified our compensation peer group to remove seven companies, primarily because their revenue and/or market capitalization was outside the criteria range, and added nine companies whose market capitalization and/or revenue satisfied the peer group selection criteria. The tables below illustrate the specific changes to the peer group.

Companies removed from the peer group:

Accolade, Inc.	Sharecare, Inc.

At the time the peer group was approved in September 2024, our revenue was at the 49th percentile of the peer group and our market cap was at the 57th percentile of the peer group.

Elements of the Company's Executive Compensation Program

We design each of the principal components of our executive compensation program to fulfill one or more of the principles and objectives of our compensation philosophy described above. For the fiscal year ended December 31, 2025, the compensation program of our named executive officers generally consisted of:

- Base salary;
- Annual performance-based cash bonus opportunities; and
- Long-term equity incentive compensation.

In addition, our named executive officers are eligible to participate in our health and welfare programs and our 401(k) plan on the same basis as our other employees. Additionally, in 2025, we entered into one-time retention bonus agreements with Ms. Barnes, Messrs. McGinnis and Nabiey. Certain of the employment arrangements entered into with our named executive officers contain severance and/or change-in-control protections, which aid in attracting and retaining executive talent and help executives to remain focused and dedicated during potential transition periods due to a change in control. Each of these elements of compensation for 2025 is described further below.

Base Salaries

Our named executive officers receive a base salary to compensate them for the services they provide to our Company. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities, and it is aimed primarily at attracting and retaining the best possible executive talent.

For 2025, we did not increase the base salary for our named executive officers from 2024, with the exception of the base salary paid to Mr. Nabiey, which was increased by approximately 6.7%. This salary increase was recommended by our Compensation Committee and approved by our Board in response to market competitive factors based on market compensation analyses that we undertook and following additional consideration of the factors set forth above under "Determination of Executive Compensation."

The following table sets forth the annual base salaries of our named executive officers during fiscal years 2024 and 2025:

Name	Fiscal 2024 Base Salary	Fiscal 2025 Base Salary	Approximate % of Increase from 2024
Wendy Barnes	N/A	\$ 825,000	N/A
Christopher McGinnis	N/A	\$ 500,000	N/A
Romin Nabiey	\$ 328,000	\$ 350,000	6.7%
Scott Wagner	\$ 750,000	\$ 750,000	0%
Karsten Voermann	\$ 450,000	\$ 450,000	0%
Trevor Bezdek	\$ 500,000	\$ 500,000	0%

Base salaries earned during 2025 for some executives are lower than the base salaries shown above, given departures and new hires during the year. Actual base salaries earned are presented in the *Summary Compensation Table*.

Cash Bonus Compensation

2025 Annual Cash Incentive Program

Compensation under our annual performance-based cash bonus program ("bonus plan"), if any, is earned and granted under the terms of our 2020 Incentive Award Plan (the "2020 Plan"). We award annual performance-based cash bonus compensation to drive the achievement of key short-term business results and to recognize individuals based on their contributions to those results. The bonus plan provides participants, including our named executive officers, the opportunity to earn cash incentive bonuses based upon attainment of certain corporate objectives (and for some employees, individual objectives) that we deem appropriate for the fiscal year.

Table of Contents

The corporate performance goals under the bonus plan are established by our Compensation Committee with the final attainment certified and bonus payment awarded by our Board, in each case with recommendation from the Compensation Committee. During 2025, each of our named executive officers participated in our bonus plan. All named executive officers' bonus opportunities were based on corporate performance goals with the exception of Mr. Nabiey, whose cash incentive bonus opportunity for 2025 was based upon attainment of both individual performance goals (determined by his manager) and corporate performance goals, weighted 25% and 75% respectively.

The following table sets forth the 2025 target bonuses of our named executive officers as of the end of fiscal year 2025:

Named Executive Officer	Target Percentage of Base Salary	Target Bonus (\$)
Wendy Barnes	100%	\$ 825,000
Christopher McGinnis ⁽¹⁾	100%	\$ 454,808
Trevor Bezdek ⁽²⁾	100%	\$ 416,667
Romin Nabiey ⁽³⁾	40%	\$ 138,890

(1) Mr. McGinnis' 2025 target bonus was prorated based on his start date of February 4, 2025.

(2) Mr. Bezdek's 2025 target bonus was prorated based on his termination date of November 1, 2025.

(3) Mr. Nabiey's 2025 target bonus was prorated based on his new salary rate effective as of February 16, 2025.

Messrs. Wagner and Voermann were not employed at the time when our Compensation Committee approved the 2025 bonus plan and therefore were not entitled to, and did not receive, a bonus payment for 2025. Under the Retention Bonus Agreements, Ms. Barnes and Mr. McGinnis forfeited their rights to any payment under the Company's 2025 bonus plan or any Company annual cash incentive or discretionary bonus program applicable to all or a portion of 2025.

Ms. Barnes, Messrs. McGinnis and Bezdek

In March 2025, our Compensation Committee approved the 2025 bonus plan incorporating financial performance metrics that reflect our strategic business priorities and are aligned with both peer practices and how our stockholders assess the Company's performance. The program was based on pre-established Revenue (as defined below) goals subject to a payment gate based on our Adjusted EBITDA Margin. If we did not meet a minimum Adjusted EBITDA Margin of 31.5%, there would be no funding under the bonus plan. Our Compensation Committee selected these metrics because it believes they incentivize our named executive officers to focus on growth as well as cost management and operational leverage, which is consistent with our long-term strategic priorities and reinforces the importance of these key metrics as a priority throughout the organization. We believe these goals are critical to our business strategy and the creation of stockholder value.

If we achieved or exceeded the required Adjusted EBITDA Margin and achieved the threshold level of Revenue, the payout percentage would be 50%. If we achieved or exceeded the required Adjusted EBITDA Margin and achieved the target level of Revenue, the payout percentage would be 100%. If we achieved or exceeded the required Adjusted EBITDA Margin and achieved or exceeded the maximum level of Revenue, the payout percentage would be 150%. Payouts for performance between threshold and target and between target and maximum are subject to linear interpolation assuming the minimum Adjusted EBITDA Margin goal was attained. The following tables show the threshold, target and maximum goals for each performance measure, and our financial results with respect to each performance measure:

Performance Goal	Target %	2025 Actual Achievement
Adjusted EBITDA Margin ⁽¹⁾	31.50%	33.95%

Performance Goal	Threshold \$ (dollars in thousands)	Target \$ (dollars in thousands)	Maximum \$ (dollars in thousands)	2025 Actual Achievement (dollars in thousands)	Payout % of Target Bonus
Revenue	\$810,000	\$830,000 - \$835,000	\$870,000	\$796,853	—%

(1) We generally define Adjusted EBITDA for a particular period as net income or loss before interest, taxes, depreciation and amortization, and as further adjusted, as applicable, for acquisition related expenses, stock-based compensation expense, payroll tax expense related to stock-based compensation, loss on extinguishment of debt, financing related expenses, loss on operating lease assets, restructuring related expenses, legal settlement expenses, gain on sale of business and other income or expense. These excluded items are either non-cash charges or such that we believe do not represent our underlying core operating performance and that their exclusion provides investors with a better understanding of the factors and trends affecting our business. Adjusted EBITDA Margin represents Adjusted EBITDA as a percentage of Adjusted Revenue.

Based on our actual performance and recommendation of our Compensation Committee, our Board did not approve bonus payments for Ms. Barnes nor Messrs. McGinnis and Bezdek.

Table of Contents

Mr. Nabiey

As mentioned above, Mr. Nabiey was eligible to earn a cash incentive bonus under the 2025 bonus plan and pre-established individual performance goals set by his direct manager, Mr. McGinnis, weighted 75% and 25% respectively.

While the Company did not meet the 2025 revenue corporate performance goal threshold, resulting in no payout, our Board approved a discretionary payout equal to 70% of the 75% portion of Mr. Nabiey's bonus tied to corporate performance.

Mr. Nabiey's pre-established individual performance goals were qualitative in nature and related to (i) issuing accurate, reliable, and timely periodic reports, receiving unqualified opinions on related audits and reviews, and maintaining tax compliance across the organization, (ii) developing the Company's financial infrastructure to support various business units with analytics and actionable insights enhancing the Company's control environment, (iii) maintaining an effective control environment as evidenced by an unqualified opinion on internal controls, (iv) efficiently and effectively coordinating with the Audit and Risk Committee, and (v) supporting activities across investor relations, treasury/capital markets, and financial planning and analysis matters. Achievement of Mr. Nabiey's individual performance bonus could range from 0% to 150% of his target bonus, with the actual bonus amount paid to Mr. Nabiey based on Mr. Nabiey's achievement of his individual performance goals, as determined by Mr. McGinnis. During calendar year 2025, Mr. Nabiey achieved 100% of the individual performance target bonus for his contributions and achievements.

Based on our actual performance and recommendation of our Compensation Committee, our Board approved the following 2025 payouts for Mr. Nabiey:

	Threshold	Target	Maximum	2025 Payout Based on Actual Achievements	
				%	\$
2025 corporate performance goals	\$52,084	\$104,168	\$156,252	—%	\$—
2025 individual performance goals	\$—	\$34,722	\$52,083	100%	\$34,722
Discretionary bonus	\$—	\$—	\$—	N/A	\$72,918
	<u>\$52,084</u>	<u>\$138,890</u>	<u>\$208,335</u>		<u>\$107,640</u>

The actual cash incentive bonuses earned by Mr. Nabiey with respect to 2025 is set forth below in the Summary Compensation Table. In accordance with SEC rules, the discretionary bonus is set forth in the column entitled " *Bonus*" and the portion of the bonus based on achievement of individual performance goals is set forth in the column entitled " *Non-Equity Incentive Plan Compensation* ." Messrs. Wagner and Voermann were not employed at the time 2025 bonuses were paid and therefore did not receive a 2025 bonus.

Ms. Barnes and Mr. McGinnis Signing Bonus

Under their respective employment agreements with the Company, Ms. Barnes and Mr. McGinnis each received a one-time cash payment of \$550,000 and \$250,000, respectively. In the event that the executive's employment had been terminated prior to the first anniversary of his or her employment start date (other than due to the executive's death or "disability," by the Company without "cause" or by the executive for "good reason" (each, as defined in the applicable employment agreement), the executive would have been required to repay the unearned portion of the signing bonus on a pro-rata basis to reflect time employed through the first anniversary of the employment start date.

Ms. Barnes, Messrs. McGinnis and Nabiey Retention Bonus

In December 2025, the Company entered into Retention Bonus Agreements with Ms. Barnes and Mr. McGinnis. Pursuant to their respective Retention Bonus Agreements, Ms. Barnes and Mr. McGinnis received cash retention bonuses in the amounts of \$2,000,000 and \$1,000,000, respectively (the "Retention Bonuses") in December 2025. The Retention Bonuses are subject to repayment if the executive's employment is terminated either (a) by the executive without "good reason" or (b) by the Company for "cause" (each, as defined in the Retention Bonus Agreements), as follows: (i) 100% of the after-tax amount of the Retention Bonus if such termination occurs on or prior to December 31, 2026 or (ii) 50% of the after-tax amount of the Retention Bonus if such termination occurs on or after January 1, 2027 but prior to December 31, 2027. Under the Retention Bonus Agreements, Ms. Barnes and Mr. McGinnis forfeited their rights to any payment under the Company's 2025 bonus plan or any Company annual cash incentive or discretionary bonus program applicable to all or a portion of 2025. The Retention Bonuses were approved after considering the critical importance of leadership continuity including its ongoing strategic repositioning and operational objectives. Although the Company did not achieve its annual corporate performance goals for the year, the Board determined that maintaining stability in these roles remained essential to positioning the Company for future performance and successful execution of its long-term strategic initiatives.

Mr. Nabiey received a retention bonus in the amount of \$30,000, which was paid to him upon completion of the retention period that began on April 8, 2025 and ended on October 15, 2025.

Equity Compensation

We view equity-based compensation as a critical component of our executive compensation program. Equity-based compensation creates an ownership culture among our employees that provides an incentive to contribute to the continued growth and development of our business and aligns the interests of our executives with our stockholders. Our Compensation Committee believes it is essential to provide equity-based compensation to our executive officers in order to link the interests and risks of our executive officers with those of our stockholders, reinforcing our commitment to ensuring a strong linkage between company performance and pay.

We historically have used restricted stock units and stock option awards as the primary incentives for long-term compensation to our named executive officers. Generally, the equity we grant vests in equal quarterly installments over four years, typically following a one-year cliff for new hires, subject to the employee's continued service with us on the vesting date. We maintain the 2020 Plan as the vehicle pursuant to which we may grant equity incentive compensation to our named executive officers. Prior to our IPO, we maintained the Fifth Amended and Restated 2015 Equity Incentive Plan (the "2015 Plan"), under which some of our named executive officers have been granted equity incentive compensation.

2025 Equity Grants

The Compensation Committee considered market data provided by Pay Governance in determining its grant of equity awards to certain of our named executive officers in 2025. The Compensation Committee determines the amounts and form of equity awards granted to each of our named executive officers after considering individual performance, roles and responsibilities of such named executive officer, competitive factors, vested and unvested value of the equity awards held by such named executive officer, and timing of prior equity awards granted. In addition, the size of the new hire awards are established through negotiation at the time when named executive officers are hired, taking into account factors such as market data for the position for which the individual is being considered, the individual's qualifications, and prior experience.

During 2025, the Board approved equity grants in the form of stock option awards and RSU awards to Ms. Barnes, Messrs. McGinnis and Nabiey. The target values for the stock options and RSUs awarded in 2025 to our named executive officers are as follows:

Named Executive Officer	2025 Equity	
	Stock Options ⁽¹⁾	Restricted Stock Units
Wendy Barnes	\$ 9,000,000	\$ 11,000,000 ⁽²⁾
Christopher McGinnis	\$ 3,500,000	\$ 3,500,000 ⁽²⁾
Romin Nabiey	\$ 375,000	\$ 375,000 ⁽³⁾

(1) The number of shares underlying each stock option was calculated based on the Black-Scholes fair value on the date our Board approved the grants.

(2) The number of RSUs underlying each award was calculated based on the 20-day average of our closing stock price preceding the date our Board approved the grants. As such, the dollar-denominated value set forth in this table may be different from the grant-date fair value of the RSU award disclosed in our Summary Compensation Table later in this proxy statement.

(3) The number of RSUs underlying the award was calculated based on the 30-day average of our closing stock price preceding the date our Board approved the grants. As such, the dollar-denominated value set forth in this table may be different from the grant-date fair value of the RSU award disclosed in our Summary Compensation Table later in this proxy statement.

For Ms. Barnes, the stock options and \$9,000,000 of the RSUs vest 25% on January 15, 2026 and the remaining 75% vest in substantially equal quarterly installments over the following three years, subject to her continued employment through the applicable vesting date. The remaining \$2,000,000 in RSUs vest 50% on January 15, 2026 and the remaining 50% vest in substantially equal quarterly installments over the following two years, subject to her continued employment through the applicable vesting date. For Mr. McGinnis, the stock options and RSUs vest 25% on February 15, 2026 and the remaining 75% vest in substantially equal quarterly installments over the following three years, subject to his continued employment through the applicable vesting date. For Mr. Nabiey, the stock option and RSU awards were scheduled to vest in substantially equal quarterly installments over sixteen quarters beginning on May 15, 2025, subject to his continued employment through the applicable vesting date; however, he will forfeit the unvested portions of those awards in connection with his separation in June 2026.

Mr. Voermann was not eligible to receive equity awards in 2025 because he departed from the Company in January 2025. Messrs. Bezdek and Wagner transitioned from their roles as executive officers of the Company to non-employee directors during 2025 and received equity awards in connection with their roles as non-employee directors. For a discussion of their equity awards, see "Director Compensation" below.

Other Elements of Compensation

Retirement Plans

We currently maintain a 401(k) retirement savings plan for our employees, including our named executive officers, who satisfy certain eligibility requirements. Our named executive officers are eligible to participate in the 401(k) plan on the same

Table of Contents

terms as other full-time employees. The Internal Revenue Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage of the employee contributions, and these matching contributions are fully vested as of the date on which the contribution is made. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making fully vested matching contributions, adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation philosophy. Each named executive officer participating in the 401(k) plan received Company-paid matching contributions in 2025.

Employee Benefits and Perquisites

Health/Welfare Plans. All of our full-time employees, including our named executive officers, are eligible to participate in our health and welfare plans, including:

- medical, dental and vision benefits;
- medical and dependent care flexible spending accounts;
- short-term and long-term disability insurance; and
- life insurance.

From time to time, certain of our named executive officers may receive reimbursement of relocation, professional organization dues, commuting expenses, participation in wellness programs, cell phone allowance, gifts, commuting expenses and/or legal fees. We believe the perquisites described above are necessary and appropriate to provide a competitive compensation package to our named executive officers.

Limited Tax Gross-Ups

In 2025, we made two gross-up payments to Ms. Barnes in the amount to cover personal income taxes incurred in connection with corporate gifts and legal fees. Otherwise, we have not made significant gross-up payments to cover any other of our named executive officers' personal income taxes that may pertain to any of the compensation paid or provided by our Company.

Severance and Change in Control Arrangements

In 2025, we were party to employment agreements or offer letters with certain of our named executive officers, which provide for severance benefits and payments upon certain qualifying terminations of employment, including in connection with a "change in control" of the Company. Additional information regarding the employment agreements and offer letters is set forth in "*Narrative to Summary Compensation Table and Grants of Plan-Based Awards Table.*"

We believe that the severance provisions help to ensure the day-to-day stability necessary to enable our named executive officers to properly focus their attention on their duties and responsibilities with us and provide security regarding some of the most uncertain events relating to continued employment, thereby limiting concern and uncertainty and promoting productivity. A detailed description of the severance provisions applicable to our named executive officers, as well as information on the estimated payments and benefits that our named executive officers would have been eligible to receive as of December 31, 2025, are set forth in "*Potential Payments Upon Termination or Change in Control.*"

In connection with the termination of Mr. Voermann's employment in 2025, Mr. Voermann was entitled to receive the separation payments and benefits under his separation agreement. A description of the separation payments and benefits for Mr. Voermann is included below in "*Potential Payments Upon Termination or Change in Control.*"

Additional Compensation Components

In the future, we may provide different and/or additional compensation components, benefits and/or perquisites to our named executive officers to ensure that we provide a balanced and competitive compensation structure. We believe that it is important to maintain flexibility to adapt our compensation structure to properly attract, motivate and retain the top executive talent for which we compete, as well as to reflect current market and global conditions. All future practices regarding compensation components, benefits and/or perquisites will be subject to periodic review by our Compensation Committee.

2026 Compensation Decisions

Increase to Base Salary

In March 2026, the Board approved a base salary increase from \$350,000 to \$362,250 for Mr. Nabiey, effective February 16, 2026. Such compensation changes were made in response to market competitive factors based on market compensation analyses reviewed by the Compensation Committee.

Table of Contents

2026 Cash Incentive Program

In March 2026, the Compensation Committee approved an annual performance-based cash bonus program that includes most employees, including Ms. Barnes and Messrs. McGinnis and Nabiey. The program provides such individuals with a cash bonus opportunity based on (1) the Company's achievement of Adjusted EBITDA Margin and pre-established revenue goals for 2026, and, for some employees (2) achievement of individual goals. Similar to our 2025 bonus plan, if we achieve the target levels of performance for both measures during 2026, the payout percentage for Company performance will be 100%. We must achieve the threshold performance of either Adjusted EBITDA Margin or our revenue goal in order for the payout percentage to exceed zero. If we exceed target levels, the Company performance percentage may reach a maximum of 180%.

2026 Equity Grants

In March 2026, based on our Compensation Committee's recommendation, the Board approved granting performance-based RSUs ("PSUs") to certain employees, including our named executive officers. The PSUs vest annually over three years based on achievement of certain revenue goals. Ms. Barnes was granted a target of \$3,000,000 in PSUs and \$3,000,000 in RSUs, Mr. McGinnis was granted a target of \$1,000,000 in PSUs and \$1,000,000 in RSUs, and Mr. Nabiey was granted a target of \$81,250 in PSUs and \$243,750 in RSUs.

Other Matters

Practices and Policies Related to the Grant of Certain Equity Awards

As a general practice, our Compensation Committee does not grant stock options or similar awards in anticipation of the release of material nonpublic information that is likely to result in changes to the price of our common stock and the Company does not time the public release of such information based on stock option grant dates. In the event material nonpublic information becomes known to the Compensation Committee before granting an equity-based compensation award, the Compensation Committee will consider such information and use its business judgment to determine whether to delay the grant of equity to avoid any appearance of impropriety. Additionally, it is our general practice not to grant stock or similar awards (i) outside of "trading windows" established in accordance with our Insider Trading Compliance Policy; or (ii) at any time during the four business days prior to or the one business day following the filing of our periodic reports or the filing or furnishing of a Form 8-K that discloses material nonpublic information. The foregoing restrictions do not apply to RSUs or other types of equity awards that do not include an exercise price related to the market price of our common stock on the grant date.

In addition, our board of directors, executive officers and employees are not permitted to choose the grant date applicable to their individual equity awards. Annual grants (excluding one-time awards that may be made in unique circumstances, such as upon joining the Company or as a retention incentive) for executive officers and employees are generally approved by the Board or Compensation Committee during the first quarter of each fiscal year and which has historically occurred during an open trading window.

In accordance with these practices, during the fiscal year ended December 31, 2025, none of our named executive officers were awarded stock options with an effective grant date during any period beginning four business days before the filing or furnishing of a Form 10-Q, Form 10-K, or Form 8-K that disclosed material nonpublic information and ending one business day after the filing or furnishing of such reports. During Fiscal 2025, we have not timed the disclosure of material nonpublic information for the purpose of affecting the value of executive compensation.

Clawback Policy

Effective as of October 2, 2023, our Compensation Committee adopted a clawback policy that provides that we will recover any incentive-based compensation (whether cash or equity) received during the period of time specified in the policy by any current or former executive officer (as defined in Rule 10D-1(d) of the Exchange Act) which was predicated upon achieving certain financial results that were subsequently the subject of an accounting restatement. Under the policy, we will, subject to limited exceptions, recover from such executive officer(s) the amount by which the executive officer's incentive compensation for the relevant period exceeded the amount that would have been received by such executive officer based on the restated financial results. The policy applies regardless of whether the applicable executive officer engaged in misconduct or otherwise caused or contributed to the requirement for the restatement.

Stock Ownership Guidelines

In order to align our directors' and executive officers' interests with those of our stockholders, we have adopted stock ownership guidelines, which require that, during their respective tenures, our compensated directors, executive officers who are designated as "officers," as defined in Rule 16a-1(f) of the Exchange Act, and other designated executives maintain ownership of Qualifying Shares (as defined below) with an aggregate market value as set forth below:

Table of Contents

Title	Minimum Required Ownership
Non-employee Directors	5 X annual base cash retainer
Chief Executive Officer and Founders	5 X annual base salary
Chief Financial Officer	3 X annual base salary
Chief Accounting Officer	1 X annual base salary
Other designated executives	2 X annual base salary

Each individual covered by the stock ownership guidelines ("Covered Individual") must comply with the applicable minimum ownership requirement by the later of (i) January 11, 2028, the fifth anniversary of the effective date of the stock ownership guidelines, and (ii) the fifth anniversary of the date that such individual became a Covered Individual (such period, the "Transition Period").

The annual base salary or annual base cash retainer used to calculate the minimum ownership requirement is based on the salary or retainer in place on the last day of the fiscal year in which the individual's Transition Period ends. The minimum ownership requirement may be satisfied by ownership of (i) shares of Common Stock, (ii) vested (and earned), but unsettled or deferred restricted stock units and performance-based stock units and (iii) any other shares of Common Stock owned by the covered individual's immediate family members residing in the same household, held in trust for the benefit of the covered individual or his or her immediate family or otherwise beneficially owned by such covered individual (collectively, "Qualifying Shares"). For the avoidance of doubt, any unvested awards are not considered Qualifying Shares. In determining whether a Covered Individual has achieved his or her minimum ownership requirement, the market value of each share of Qualifying Shares is calculated based on the closing price of our Class A common stock as of the last trading day of our then-current fiscal year in which the Transition Period ends. A Covered Individual will be deemed to have remained in compliance with the stock ownership guidelines if the number of Qualifying Shares held by such Covered Individual as of the last day of each future fiscal year following such individual's first year of required compliance is not less than the minimum number of Qualifying Shares that such individual was required to hold as of the last day of the fiscal year in which such individual's Transition Period ends.

The Board, or any committee designated by the Board, may, at its discretion, assess the circumstances of any Covered Individual and may decide to waive one or more requirements set forth in the stock ownership guidelines due to hardship or other personal circumstances that may require such deviation or waiver.

Section 409A of the Internal Revenue Code

Section 409A of the Internal Revenue Code requires that "nonqualified deferred compensation" be deferred and paid under plans or arrangements that satisfy the requirements of the statute with respect to the timing of deferral elections, timing of payments and certain other matters. Failure to satisfy these requirements can expose employees and other service providers to accelerated income tax liabilities, penalty taxes and interest on their vested compensation under such plans. Accordingly, as a general matter, it is our intention to design and administer our compensation and benefits plans and arrangements for all of our employees and other service providers, including our named executive officers, so that they are either exempt from, or satisfy the requirements of, Section 409A of the Internal Revenue Code.

Section 280G of the Internal Revenue Code

Sections 280G and 4999 of the Internal Revenue Code provide that certain executive officers and other service providers who are highly compensated or hold significant equity interests may be subject to an excise tax if they receive payments or benefits in connection with a change in control of the Company that exceeds certain prescribed limits, and that we, or a successor, may forfeit a tax deduction on the amounts subject to this additional tax. While the Compensation Committee may take the potential forfeiture of such tax deduction into account when making compensation decisions, it will award compensation that it determines to be consistent with the goals of our executive compensation program even if such compensation is not deductible by us. We do not provide any tax gross-ups to cover excise taxes under Section 4999 in connection with a change in control.

Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code disallows a tax deduction to public companies for compensation in excess of \$1 million paid to "covered employees", which generally includes all named executive officers. While the Compensation Committee may take the deductibility of compensation into account when making compensation decisions, the Compensation Committee will award compensation that it determines to be consistent with the goals of our executive compensation program even if such compensation is not deductible by us.

Accounting for Stock-Based Compensation

These amounts do not reflect the actual economic value that will be realized by the employee upon the vesting, settlement or exercise of the stock option and/or stock award. The assumptions that we used to calculate these amounts are discussed in Note 15 to our audited consolidated financial statements for the fiscal year ended December 31, 2025 included in our Annual Report on Form 10-K filed with the SEC on February 26, 2026. For Messrs. Wagner and Bezdek, the amounts include the aggregate grant date fair value of RSUs granted to the executive in respect of their 2025 service on our Board following their respective terminations of employment. For Mr. Voermann, the amount reflects the incremental fair value of \$251,805 resulting from a grant modification related to the extension of the post-termination exercise period for his vested options in connection with his departure from the Company.

(3) Amounts for 2025 represent payments earned by Mr. Nabley for his individual performance objectives for the applicable year. Please see the description of the 2025 annual cash incentive program under "2025 Annual Cash Incentive Program" in the CD&A above.

The number of deferred stock units ("DSU") underlying the award was determined by dividing the value by the average closing price for the Company's Class A common stock over the 30 calendar days preceding the grant date. DSUs are payable in shares of Company's Class A common stock on the earlier of (i) elected distribution date, (ii) Separation from Service; (iii) a Change in Control; (iv) death; or (v) Disability (each, as defined under the Deferred Compensation Plan). NARRATIVE TO SUMMARY COMPENSATION TABLE AND GRANTS OF PLAN-BASED AWARDS TABLE

Wendy Barnes 2024 Employment Agreement and 2025 Retention Bonus Agreement

In December 2024, the Company's subsidiary, GoodRx, Inc. entered into an employment agreement with Ms. Barnes, our Chief Executive Officer & President, effective as of January 1, 2025 (the "Barnes Employment Agreement"). The Barnes Employment Agreement provides for at-will employment and for (i) an annual base salary of \$825,000; and (ii) eligibility to participate in the health and welfare benefit plans and programs maintained by GoodRx for the benefit of its employees and certain other perquisites. In addition, Ms. Barnes is eligible to earn an annual cash incentive bonus targeted at 100% of her base salary, which bonus is payable based on the achievement of individual and/or Company performance goals established by the Board or a committee thereof; any such bonus payment will be contingent upon Ms. Barnes' continued employment through the last day of the applicable calendar year.

In addition, Ms. Barnes received a one-time cash payment of \$550,000 (the "Barnes Signing Bonus"). In the event that Ms. Barnes' employment is terminated prior to January 1, 2026 (other than due to her death or "disability," by us without "cause" or by Ms. Barnes for "good reason" (each, as defined in the Barnes Employment Agreement)), Ms. Barnes will be required to repay the unearned portion of the Barnes Signing Bonus on a pro-rata basis to reflect time employed through the first anniversary of her employment start date.

Pursuant to the Barnes Employment Agreement, in March 2025, Ms. Barnes was granted (i) a RSU award having an aggregate value of \$9,000,000 (the "Initial Barnes RSU Award"), (ii) a stock option having an aggregate value of \$9,000,000 (the "Initial Option") and (iii) an additional RSU award having an aggregate value of \$2,000,000 (the "Additional Barnes RSU Award"). The number of shares of the Company's Class A common stock subject to the Initial Barnes RSU Award and Additional Barnes RSU Award was based on the closing share price over the last 20 trading days preceding the applicable grant date. The number of shares of the Company's Class A common stock subject to the Initial Option was determined based on the per share Black-Scholes valuation as of the applicable grant date. The Initial Barnes RSU Award and Initial Option vests with respect to 25% of the shares subject to the awards on January 15, 2026, and as to 1/16 of the shares subject to the award on each quarterly anniversary thereafter, subject to Ms. Barnes' continued employment through the applicable vesting date. The Additional Barnes RSU Award vests with respect to 50% of the shares subject to the Additional Barnes RSU Award on January 15, 2026, and as to 1/8th of the shares subject to the Additional Barnes RSU Award on each quarterly anniversary thereafter, subject to Ms. Barnes' continued employment through the applicable vesting date. The Initial Option will be exercisable in whole or in part at any time prior to its termination or expiration, whether or not then-vested.

The Barnes Employment Agreement also entitles Ms. Barnes to certain severance payments and benefits upon a qualifying termination of employment, subject to her execution and non-revocation of a general release of claims. For a discussion of the payments and other benefits to which Ms. Barnes is entitled in the event of certain qualifying terminations, see "*Potential Payments Upon Termination or Change-in-Control*" below.

Ms. Barnes is also subject to a non-disparagement provision in the Barnes Employment Agreement, as well as the terms and conditions of a proprietary information and invention assignment agreement containing confidentiality, intellectual property assignment, non-competition, non-solicitation and other protective covenants.

Additionally, pursuant to the Retention Bonus Agreement by and between Ms. Barnes and GoodRx, Inc. dated December 9, 2025, Ms. Barnes received a retention bonus in the amount of \$2,000,000. The letter agreement provided that the retention bonus is subject to repayment if Ms. Barnes' employment is terminated either (a) by the executive without "good reason" or (b) by the Company for "cause" (each, as defined in the Retention Bonus Agreements), as follows: (i) 100% of the after-tax amount of the Retention Bonus if such termination occurs on or prior to December 31, 2026 or (ii) 50% of the after-tax amount of the Retention Bonus if such termination occurs on or after January 1, 2027 but prior to December 31, 2027. The number of shares of the Company's Class A common stock subject to the RSU award was determined based on the closing share price over the last 20 trading days preceding the applicable grant date. The number of shares of the Company's Class A common stock subject to the stock option award was determined based on the per share Black-Scholes valuation as of the applicable grant date. The awards vest (and become exercisable, as applicable) with respect to 25% of the shares subject to the respective awards on February 15, 2026, and as to 1/16 of the shares subject to the award on each quarterly anniversary thereafter, subject to Mr. McGinnis' continued employment through the applicable vesting date.

Pursuant to the McGinnis Employment Agreement, Mr. McGinnis is a Tier 1 Participant in the Company's Executive Severance Plan effective as of February 4, 2025. Additionally, pursuant to the Retention Bonus Agreement by and between Mr. McGinnis and GoodRx, Inc. dated December 9, 2025, Mr. McGinnis received a retention bonus in the amount of \$1,000,000. The letter agreement provided that the retention bonus is subject to repayment if Mr. McGinnis' employment is terminated either (a) by the executive without "good reason" or (b) by the Company for "cause" (each, as defined in Mr. McGinnis' Retention Bonus Agreements), as follows: (i) 100% of the after-tax amount of the Retention Bonus if such termination occurs on or prior to December 31, 2026 or (ii) 50% of the after-tax amount of the Retention Bonus if such termination occurs on or after January 1, 2027 but prior to December 31, 2027. Under Mr. McGinnis' Retention Bonus Agreement, Mr. McGinnis forfeited his rights to any payment under the Company's 2025 bonus plan or any Company annual cash incentive or discretionary bonus program applicable to all or a portion of 2025.

Mr. Nabiey was also required to execute the Company's proprietary information and invention assignment agreement as a condition to his employment under the offer letter.

Additionally, pursuant to that certain letter agreement by and between Mr. Nabiey and GoodRx, Inc. dated April 8, 2025, Mr. Nabiey was eligible to receive a retention bonus in the amount of \$30,000 at the end of the retention period from April 8, 2025 through October 15, 2025. The letter agreement provided that (i) if Mr. Nabiey employment ceases for any reason prior to October 15, 2025, Mr. Nabiey would forfeit the retention bonus in its entirety, and (ii) if Mr. Nabiey's employment was terminated other than for cause prior to October 15, 2025, then Mr. Nabiey would be deemed to have earned a pro-rata portion of such retention bonus based on the amount of time he was employed during the retention period.

For a discussion of the payments and other benefits to which Mr. Nabiey is entitled in the event of certain qualifying terminations, see " *Potential Payments Upon Termination or Change-in-Control* " below.

Scott Wagner

Amended Employment Agreement

In 2025, prior to his termination of employment, GoodRx, Inc. was party to an amended employment agreement with Mr. Wagner. The term of the employment agreement was indefinite and provided for at-will employment, an annual base salary of \$750,000, and eligibility to participate in the health and welfare benefit plans and programs maintained by GoodRx, Inc. for the benefit of its employees and certain other perquisites. In addition, Mr. Wagner would have been eligible in 2025 to receive a cash incentive bonus targeted at 100% of his annual base salary, which was payable based on the Board's assessment of Mr. Wagner's performance at the end of the employment term.

Pursuant to the amended employment agreement, in March 2024, Mr. Wagner was granted a nonqualified stock option and a RSU award covering shares of the Company's Class A common stock, each having a target dollar-denominated value of \$4 million. Each equity award monthly vested and became exercisable, as applicable, in eight substantially equal installments on May 8, 2024 and each monthly anniversary thereafter, subject to Mr. Wagner's continued employment through the applicable vesting date

Mr. Wagner is also subject to the terms and conditions of a proprietary information and invention assignment agreement containing confidentiality, intellectual property assignment, non-competition, non-solicitation and other protective covenants.

Mr. Wagner ceased serving as our Interim Chief Executive Officer in connection with Ms. Barnes' appointment as Chief Executive Officer effective January 1, 2025, and he ceased serving as an executive officer effective January 21, 2025, at which time the Board appointed Mr. Wagner as a director of the Board.

The employment agreement provided for an annual base salary of \$450,000 and eligibility to participate in the health and welfare benefit plans and programs maintained by GoodRx, Inc. for the benefit of its employees and certain other perquisites. In addition, Mr. Voermann was eligible to earn an annual cash incentive bonus targeted at 100% of his base salary, which bonus was payable upon the achievement of certain performance targets as determined by the Board at its discretion and subject to Mr. Voermann's continued employment through the payment date.

Pursuant to the employment agreement, in March 2024, Mr. Voermann was granted a nonqualified stock option and an RSU award covering shares of the Company's Class A common stock, each having a target value of \$2.5 million. Mr. Voermann was also required to execute the Company's proprietary information and invention assignment agreement as a condition to his employment under the offer letter.

Trevor Bezdek

In 2025, GoodRx, Inc. was party to an amended employment agreement with Mr. Bezdek. The term of the agreement was until October 25, 2025 and provided for at-will employment, an annual base salary of \$500,000, and eligibility to participate in the health and welfare benefit plans and programs maintained by GoodRx, Inc. for the benefit of its employees and certain other perquisites. In addition, Mr. Bezdek was eligible to earn, with respect to calendar year 2025, a cash incentive bonus targeted at 100% of his base salary, subject to continued employment through October 25, 2025. The agreement provided that Mr. Bezdek would not be eligible to receive any severance payments or benefits in connection with his termination of employment for any reason.

Pursuant to the agreement, Mr. Bezdek agreed not to sell any securities of the Company without Board approval, subject to certain exceptions including, but not limited to, pursuant to any new, modified or amended contract, instruction or written plan intended to satisfy the affirmative defense conditions of Rule 10b5-1(c)(1) under the Exchange Act (a "Rule 10b5-1 Plan") that has been approved by the Board after April 25, 2023 or an existing Rule 10b5-1 Plan.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

Ms. Barnes

Employment Agreement

Pursuant to the Barnes Employment Agreement, if Ms. Barnes' employment is terminated by the Company without "cause" or by Ms. Barnes with "good reason", then, subject to her timely execution and non-revocation of a general release of claims and continued compliance with restrictive covenants, Ms. Barnes will be eligible to receive the following severance payments and benefits: (i) an amount equal to 12 months (or 18 months, if such termination occurs 90 days prior to, or one-year following, a change in control (a "CIC Termination")) of her base salary as in effect on the termination date, payable in substantially equal installments over the 12-month or 18-month period following the termination date; (ii) an annual target cash bonus, pro-rated for the portion of the year during which Ms. Barnes was employed; (iii) company-paid COBRA continuation coverage premiums for the 18-month period following the termination date; (iv) the Barnes Signing Bonus, to the extent then-unpaid; (v) full, accelerated vesting of the Additional Barnes RSU Award; and (vi) if such termination is a CIC Termination, an additional 12 months of vesting for each outstanding and unvested time-vesting equity award then-held by Ms. Barnes. [Table of Contents](#)

The employment agreement also includes a “best pay” provision under Section 280G of the Internal Revenue Code, pursuant to which any “parachute payments” that become payable to Ms. Barnes will either be paid in full or reduced so that such payments are not subject to the excise tax under Section 4999 of the Internal Revenue Code, whichever results in the better after-tax treatment to Ms. Barnes.

Mr. McGinnis

Executive Severance Plan

Pursuant to the McGinnis Employment Agreement, Mr. McGinnis is designated as a Tier I participant under the Company's Executive Severance Plan. Accordingly, if his employment is terminated by the Company without “cause” or for “good reason” (each as defined in the Executive Severance Plan) including during the period beginning 90 days prior to, or one year following a CIC Termination, then, subject to his timely execution and non-revocation of a general release of claims and continued compliance with applicable restrictive covenants, Mr. McGinnis will be eligible to receive the following severance payments and benefits: (i) an amount equal to 12 months of his base salary as in effect immediately prior to termination, payable in substantially equal installments over the 12-month period following the termination date; (ii) in the case of a CIC Termination, a pro-rated annual target bonus for the year of termination, payable in a lump sum (or, in the case of a non-CIC termination, a pro-rated annual bonus based on actual performance); (iii) any accrued but unpaid annual bonus for a completed performance period, payable in a lump sum; (iv) Company-paid COBRA continuation coverage premiums for the 12 month period following the termination date; and (v) in the case of a CIC Termination, accelerated vesting of outstanding time-vesting equity awards covering the portion that would have vested over the 12-month period following the termination.

The employment agreement also includes a “best pay” provision under Section 280G of the Internal Revenue Code, pursuant to which any “parachute payments” that become payable to Mr. McGinnis will either be paid in full or reduced so that such payments are not subject to the excise tax under Section 4999 of the Internal Revenue Code, whichever results in the better after-tax treatment to Mr. McGinnis.

Mr. Voermann

In connection with Mr. Voermann's departure from the Company, on January 17, 2025, we entered into a separation agreement and release with Mr. Voermann. Pursuant to the agreement, (i) any outstanding and vested stock options held by Mr. Voermann as of his termination date remained outstanding and exercisable through (and including) January 17, 2026 and (ii) Mr. Voermann remained entitled to receive any earned 2024 annual cash incentive bonus.

In exchange for the consideration provided in the separation agreement, Mr. Voermann agreed to a general release of claims in favor of the Company. The separation agreement also contains a non-disparagement clause and certain other customary provisions.

Mr. Voermann continues to be subject to a proprietary information and invention assignment agreement containing confidentiality, intellectual property assignment and other covenants.

Mr. Bezdek

As noted above, Mr. Bezdek was not eligible to receive any severance payments or benefits in connection with his termination of employment for any reason.

Table of Contents

Pursuant to the terms of the 2020 Plan, in the event of a change in control (as defined in the 2020 Plan), to the extent that the surviving entity declines to continue, convert, assume or replace outstanding awards, then all such awards will become fully vested and exercisable in connection with the transaction.

Estimated Potential Payments

The following table summarizes the payments that would be made to Ms. Barnes and Mr. McGinnis, upon the occurrence of certain qualifying terminations of employment or a change in control, in any case, occurring on December 31, 2025 and based on their respective compensation arrangements in effect as of December 31, 2025. The table does not include Messrs. Wagner, Voermann and Bezdek, for whom we describe the payments and benefits they actually received in connection with the termination of their employment in 2025 (as described above under "Potential Payments Upon Termination or Change-in-Control"). Amounts shown do not include (i) accrued but unpaid base salary through the date of termination or (ii) other benefits earned or accrued by the named executive officers during their employment that are available to all salaried employees. Amounts shown assume that any successor company in a change in control assumed or substituted awards for any outstanding awards under the 2020 Plan.

CHIEF EXECUTIVE OFFICER PAY RATIO

As required under Item 402(u) of Regulation S-K of the Securities Exchange Act of 1934, we are required to disclose the ratio of our 2025 Chief Executive Officer's annual total compensation to the median annual total compensation of our other employees.

Accordingly, we determined that the 2025 annual total compensation of the employee identified as our median paid employee, other than our 2025 Chief Executive Officer, Ms. Barnes, was \$263,977. The following table shows the 2025 total annual compensation for Ms. Barnes, as reported in the Summary Compensation Table and the ratio of the annual total compensation for our Chief Executive Officer to the median of the annual total compensation of our other employees.

Chief Executive Officer	Total Compensation for Chief Executive Officer as reported in the Summary Compensation Table	Total Compensation for Median Paid Employee	Ratio
Wendy Barnes	\$23,367,483	\$263,977	88.52:1

Methodology:

- **Measurement Date:** We identified the median compensated employee using our entire employee population as of December 31, 2025.
- **Identification of Median Employee:** Because our employee population consisted of an even number of employees, we identified the two employees whose compensation fell at the midpoint of the distribution and determined the median employee compensation as the average of the compensation of those two employees (the "Median Employee"). We identified the Median Employee using the aggregate of the following amounts, which we believe reasonably estimates the annual total compensation of our employees, as it includes all significant elements of compensation:
 - annual base pay as of December 31, 2025 for salaried employees;
 - regular, overtime, double time, and premium pay for hourly employees received in 2025;
 - incentives and bonuses earned in 2025; and
 - the grant date fair value of equity awards granted in 2025.
- **Calculated 2025 Chief Executive Officer Pay Ratio:** Once the Median Employee was identified, we calculated annual total compensation for such employee using the same methodology we use to report our 2025 Chief Executive Officer's total annual compensation.
- **Employee Population:** We captured all full-time employees, consisting of 697 individuals as of December 31, 2025. We do not have any part-time, seasonal or temporary employees as of December 31, 2025. In addition, we annualized the base pay of all permanent eligible employees who were employed by us for less than the entire calendar year.

Financial Performance Measures and Tabular List

For 2025, the CAP to our named executive officers consisted primarily of base salary, short-term incentive cash bonuses based on company and/or individual performance, one-time discretionary cash bonuses and time-vesting equity-based compensation, as applicable. The metrics that the Company uses for both our long-term and short-term incentive awards are selected based on an objective of incentivizing our NEOs to increase the value of our enterprise for our stockholders. The two performance measures listed below represent an unranked list of the "most important" performance measures that the Company used to align CAP to the NEOs for 2025 and company performance. While these financial measures are the most important measures the Company used to align CAP to the NEOs for 2025 and company

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information with respect to the beneficial ownership of our Class A common stock and Class B common stock for:

- each person known by us to beneficially own more than 5% of our Class A common stock or our Class B common stock;
- each of our directors and director nominees;
- each of our named executive officers; and
- all of our executive officers and directors as a group.

The number of shares beneficially owned by each stockholder as described in this proxy statement is determined under rules issued by the SEC. Under these rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power. Applicable percentage ownership is based on 104,711,186 shares of Class A common stock and 233,964,187 shares of Class B common stock outstanding as of April 20, 2026.

Each outstanding share of Class B common stock is convertible at any time at the option of the holder into one share of Class A common stock. In addition, each share of Class B common stock will convert automatically into one share of Class A common stock upon any transfer, whether or not for value, except for certain permitted transfers described in our amended and restated certificate of incorporation, including transfers to family members, trusts solely for the benefit of the stockholder or their family members, and partnerships, corporations, and other entities exclusively owned by the stockholder or their family members, as well as affiliates, subject to certain exceptions. Once converted or transferred and converted into Class A common stock, the Class B common stock may not be reissued. All the outstanding shares of our Class B common stock will convert automatically into shares of our Class A common stock upon the date that is the earlier of (i) seven years from the filing and effectiveness of our amended and restated certificate of incorporation in connection with our IPO, or September 25, 2027, and (ii) the first date the aggregate number of outstanding shares of Class B common stock ceases to represent at least 10% of the aggregate number of outstanding shares of our Common Stock. Following such conversion, each share of Class A common stock will have one vote per share and the rights of the holders of all outstanding common stock will be identical. Once converted into Class A common stock, the Class B common stock may not be reissued.

Unless otherwise indicated, the address of all listed stockholders is 2701 Olympic Boulevard, West Building - Suite 200, Santa Monica, California 90404. Each of the stockholders listed has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

POLICIES AND PROCEDURES FOR RELATED PERSON TRANSACTIONS

Our Board has adopted a written Related Person Transaction Policy and Procedures, setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we (including any of our subsidiaries) are, were or will be a participant, where the amount involved exceeds \$120,000 in any fiscal year and a related person has, had or will have a direct or indirect material interest.

Under the policy, any potential related person transaction that is proposed to be entered into by the Company must be reported to our General Counsel by both the related person and the person at the Company responsible for such potential related person transaction. Our legal team is primarily responsible for the procedures implemented to obtain information with respect to potential related person transactions, and determining whether such transactions constitute related person transactions subject to the policy. If our legal team determines that a transaction or relationship constitutes a related person transaction subject to the policy, then our General Counsel is required to present to the Audit and Risk Committee each such proposed related person transaction. In reviewing and approving any such transactions, our Audit and Risk Committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction, the extent of the related person's interest in the transaction and considerations under the Company's Code of Business Conduct and Ethics. If advance Audit and Risk Committee approval of a related person transaction is not feasible, then the transaction may be preliminarily entered into by management upon prior approval by the Chair of the Audit and Risk Committee, subject to ratification of the transaction by the Audit and Risk Committee at the Audit and Risk Committee's next regularly scheduled meeting. If a transaction was not initially recognized as a related person transaction, then upon such recognition, the transaction will be presented to the Audit and Risk Committee for ratification at the Audit and Risk Committee's next regularly scheduled meeting. Management is responsible for updating the Audit and Risk Committee as to any material changes to any approved or ratified related person transaction and for providing a status report at least annually of all current related person transactions at a regularly scheduled meeting of the Audit and Risk Committee. No director may participate in approval of a related person transaction for which he or she is a related person.

The following includes a summary of transactions, arrangements and relationships since January 1, 2025, and any currently proposed transactions, arrangements and relationships, to which we were or are to be a participant, in which (i) the amount involved exceeded or will exceed \$120,000 and (ii) any of our directors, executive officers and stockholders owning more than 5% of our outstanding Class A common stock or our Class B common stock, or any affiliate or member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest. We believe that the terms of such agreements are as favorable as those we could have obtained from parties not related to us.

TRANSACTIONS RELATED TO DIRECTORS, EQUITY HOLDERS AND EXECUTIVE OFFICERS

Registration Rights

In October 2018, we entered into an Amended and Restated Investor Rights Agreement with our Sponsor Stockholders, pursuant to which, among other things, we granted such stockholders certain registration rights in respect to the "registrable securities" held by them. Each of our Sponsor Stockholders, together with their respective affiliates, beneficially owns more than 5% of a class of our outstanding capital stock.

Under the Amended and Restated Investor Rights Agreement, "registrable securities" include, among others, (a) the shares of our Common Stock previously issued upon the conversion of shares of our redeemable convertible preferred stock, (b) the shares of our Common Stock held or acquired by the applicable stockholders and (c) any shares of Common Stock issued as a dividend or other distribution to or in exchange for or in replacement of the shares referenced in clauses (a) and (b). The registration of shares of our Common Stock pursuant to the exercise of these registration rights would enable the holders thereof to sell such shares without restriction under the Securities Act when the applicable registration statement is declared effective. Under the Amended and Restated Investor Rights Agreement, we will pay expenses relating to such registrations, including up to \$50,000 of the reasonable fees and disbursements of one counsel for the participating stockholders, and the stockholders will pay, among other things, all underwriting discounts and commissions relating to the sale of their shares. The Amended and Restated Investor Rights Agreement also includes customary indemnification and procedural terms.

These registration rights terminate upon the earlier of (1) the closing of a deemed liquidation event, which includes (A) certain mergers, reorganizations or consolidations, (B) the sale or other disposition of all or substantially all of our assets, and (C) any other transaction to which at least 50% of our voting securities or assets are transferred, or (2) as to any given holder of such registration rights, the date when all of the registrable securities of such holder, together with any registrable securities held by affiliates of such holder, can be sold without restriction under Rule 144 promulgated by the SEC under the Securities Act.

The Amended and Restated Investor Rights Agreement was entered into prior to the initial adoption of our Related Person Transaction Policy and Procedures described above.

Stockholders Agreements

In October 2018, we entered into an Amended and Restated Stockholders Agreement (the "2018 Stockholders Agreement") with the Sponsor Stockholders, Douglas Hirsch and Trevor Bezdek, our former Co-Chief Executive Officers and former Chief Mission Officer and current director and Co-Chairman of the Board, respectively, and certain other parties party thereto. As a result of our IPO, most of the provisions set forth in the 2018 Stockholders Agreement that apply to us were terminated, including rights regarding the nomination, appointment and designation of members of our Board and Board committees, transfer restrictions, tag-along rights, drag-along rights, rights of first refusal and negative covenants. We continue to be required to maintain directors and officers indemnity insurance coverage reasonably satisfactory to the Board, indemnify and exculpate directors to the fullest extent permitted under applicable law and, at the request of any of the Sponsor Stockholders, enter into a voting agreement pursuant to which the parties will agree to vote in favor of any directors nominated by such parties, in each case, pursuant to the 2018 Stockholders Agreement.

In connection with our IPO, we entered into the Stockholders Agreement with our Sponsor Stockholders, pursuant to which, among other things, we granted such stockholders certain director designation rights and agreed to take all actions necessary and within our control to give effect to such director designation right provisions. The terms of the Stockholders Agreement regarding director designation rights and voting for the election of directors are described above in the "Corporate Governance" section under the header "Stockholders Agreement." As of September 25, 2023, provisions in the Stockholders Agreement limiting the parties' ability to sell or transfer any shares of common stock during the three-year period following our IPO lapsed.

Each of the 2018 Stockholders Agreement and the Stockholders Agreement was entered into prior to the initial adoption of our Related Person Transaction Policy and Procedures described above.

Repurchase Transactions

2025 Stock Purchase Agreement

On March 16, 2025 (the "2025 SPA Effective Date"), we entered into three Stock Purchase Agreements, one with the Spectrum Stockholders, one with the Francisco Partners Stockholders, and one with the Idea Men Stockholders. Pursuant to such agreements, we agreed to repurchase 3,000,000 shares of our Class A common stock (after giving effect to the automatic conversion of our Class B common stock to Class A common stock upon such repurchase) from the Spectrum Stockholders, 10,000,000 shares of our Class A common stock (after giving effect to the automatic conversion of our Class B common stock to Class A common stock upon such repurchase) from the Francisco Partners Stockholders, and 7,000,000 shares of the Company's Class A common stock (after giving effect to the automatic conversion of the Company's Class B common stock to Class A common stock upon such repurchase) from Idea Men Stockholders, at a price of \$4.20 per share, in each case representing a discount from the Company's closing share price of \$4.42 as of the last trading day prior to the 2025 SPA Effective Date (the "March 2025 Repurchase"). The March 2025 Repurchase was approved by our Board and its Audit and Risk Committee as part of our existing authority to repurchase up to an aggregate of \$450.0 million of our Class A common stock. Closing of the March 2025 Repurchase occurred on March 21, 2025 for an aggregate consideration of approximately \$84.9 million, inclusive of direct costs and estimated excise taxes associated with the transaction.

Services Agreement

In October 2018, we entered into a services agreement with Silver Lake Management Company V, L.L.C. ("SLMC"). Under the agreement, SLMC has provided from time to time, and may continue to provide, us and/or our affiliates, by and through itself and its affiliates, each as an independent contractor, certain monitoring, advisory and consulting services, among others.

Pursuant to the agreement, we also granted SLMC a non-exclusive license to use our trademarks and logos in connection with describing SLMC's relationship with us. The amounts paid to SLMC and its affiliates under the agreement have not exceeded \$120,000 since January 1, 2025.

This agreement was entered into prior to the initial adoption of our Related Person Transaction Policy and Procedures described above.

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and executive officers. The indemnification agreements and our Amended and Restated Bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by the General Corporation Law of the State of Delaware.

OTHER MATTERS

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

However, if the date of the 2027 Annual Meeting changes by more than 30 days from the first anniversary of the date of the Annual Meeting, then such proposals must be received a reasonable time before we begin to print and send our proxy materials for the 2027 Annual Meeting. Any such proposals must comply with the requirements of Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials.

Stockholders intending to present a proposal at the 2027 Annual Meeting, but not to include the proposal in our proxy statement, or to nominate a person for election as a director, must comply with the requirements set forth in our Amended and Restated Bylaws. Our Amended and Restated Bylaws require, among other things, that our Secretary receive written notice from the stockholder of record of their intent to present such proposal or nomination not earlier than the 120th day and not later than the 90th day prior to the first anniversary of the preceding year's annual meeting. Therefore, we must receive notice of such a proposal or nomination for the 2027 Annual Meeting no earlier than February 16, 2027 and no later than March 18, 2027. The notice must contain the information required by the Amended and Restated Bylaws, a copy of which is available upon request to our Secretary. In the event that the date of the 2027 Annual Meeting is more than 30 days before or more than 60 days after June 16, 2027, then our Secretary must receive such written notice not earlier than the 120th day prior to the 2027 Annual Meeting and not later than the 90th day prior to the 2027 Annual Meeting or, if later, the 10th day following the day on which public disclosure of the date of the 2027 Annual Meeting is first made by us. SEC rules permit management to vote proxies in its discretion in certain cases if the stockholder does not comply with this deadline and, in certain other cases notwithstanding the stockholder's compliance with this deadline. In addition to satisfying the foregoing requirements under the Amended and Restated Bylaws, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act.

We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these or other applicable requirements.
